The Single Plan for Student Achievement

School: Pathway Community Day School

CDS Code: 10-73965-0114751

District: Central Unified School District

Principal: Nick Hustedde

Revision Date: 9/21/17

The Single Plan for Student Achievement (SPSA) is a plan of actions to raise the academic performance of all students. California Education Code sections 41507, 41572, and 64001 and the federal Elementary and Secondary Education Act (ESEA) require each school to consolidate all school plans for programs funded through the ConApp and ESEA Program Improvement into the SPSA.

School Vision and Mission

Pathway Community Day School's Vision and Mission Statements
The mission of Pathway Community Day School is to provide all students with a positive, structured environment focused on behavioral and academic improvement, where students can learn and practice skills to promote their success in secondary school, college, career and the community at large.

School Profile

Pathway Community Day School is located in Southwest Fresno. Students' grade levels range from 7th through 12th grade. A Pathway student arrives through suspended expulsion, SARB placement, a district level referral and/or court/probation placement. Pathway's goal is to have 100% of students receive a high school diploma by transitioning back to their school of origination or a mainstream school or by graduating from Pathway itself. Calls are made home daily for absent students and parents stay informed on academic work completed via the online grade system Parent Portal. Progress reports are sent home every 6 weeks and teachers make calls home to inform parents of student progression. Teachers are expected to contact homeroom students' parents regularly. Students and/or parents may contact teachers or staff at any time to check on their child's development. In addition to the three full time teachers, Pathway has a full time RSP teacher. Central Unified provides a school psychologist and an intervention counselor 5 days per week. Pathway also has an elementary program K-6 with a full time Teacher and a two full time instructional aides.

Comprehensive Needs Assessment Components

Data Analysis
Please refer to the School and Student Performance Data section where an analysis is provided.

Surveys
This section provides a description of surveys (i.e., Student, Parent, Teacher) used during the school-year, and a summary of results from the survey(s).

According to the most recent parent survey 100 percent of parents agree/strongly agree the reception staff is friendly and helpful. Additional findings of the most recent survey shows 36% would like to have direct contact from teachers and 90% prefer a phone call. As of the writing of this plan, in part due to the small population students and teachers had not been surveyed. The Pathway staff is committed to maintaining a positive relationship with it's stakeholders and will push for 100% satisfaction from students and parents.

Classroom Observations
This section provides a description of types and frequency of classroom observations conducted during the school-year and a summary of findings.

The Principal and Guidance Instructional Advisor on a regular basis conduct classroom observations and provide teachers with timely feedback on what was and wasn't observed in the lesson. The "drop ins" are a tool to help teachers maximize learning and teaching opportunities.

Analysis of Current Instructional Program
The following statements are derived from the Elementary and Secondary Education Act (ESEA) of 1965 and Essential Program Components (EPCs). In conjunction with the needs assessments, these categories may be used to discuss and develop critical findings that characterize current instructional practice for numerically significant subgroups as well as individual students who are:

- Not meeting performance goals
- Meeting performance goals
- Exceeding performance goals

Discussion of each of these statements should result in succinct and focused findings based on verifiable facts. Avoid vague or general descriptions. Each successive school plan should examine the status of these findings and note progress made. Special consideration should be given to any practices, policies, or procedures found to be noncompliant through ongoing monitoring of

categorical programs.

Standards, Assessment, and Accountability

1. Use of state and local assessments to modify instruction and improve student achievement (ESEA)

   The academic priorities of Pathway Community Day School require that:
   All students will participate in the district perfomance tasks and other required testing/assessments.
   All English Learners will participate in the California English Language Development Test (CELDT).
   All courses offer a California state standards-based curriculum.

2. Use of data to monitor student progress on curriculum-embedded assessments and modify instruction (EPC)

   Student achievement results from assessments (eg. Entry-level placement or diagnostic such as Fountas and Pinnell; progress monitoring such as DIBELS, including frequent formative and curriculum-embedded; and summative assessments such as CELDT and SBAC) are used to inform teachers and principals on student placement, diagnosis, progress and effectiveness of instruction. Coordination between the data monitoring system, Illuminate, and our central student information system, Aeries, is established so that both systems have the appropriate information needed to support each student in placement, monitoring and advancement. The small class sizes allows teachers to highly individualize instruction and adjust based on qualitative assessments.

Staffing and Professional Development

3. Status of meeting requirements for highly qualified staff (ESEA)

   All Central USD employees meet current requirements for employment. The term 'highly qualified teacher' was no longer applicable to districts as on May 2017. The district is currently waiting on approved language and definitions from both state and federal Every Student Succeeds Act (ESSA).

4. Sufficiency of credentialed teachers and teacher professional development (e.g., access to instructional materials training on SBE-adopted instructional materials) (EPC)

   All teachers meet the criteria for employment during the transition from NCLB to ESSA. The district provides new teachers with instructional materials professional development by a knowledgeable and experienced Instructional Support Coach or experienced provider for SBE-adopted basic core ELA/ELD and mathematics programs. All teachers participate in ongoing professional development to support the continuing use of SBE-adopted ELA/ELD and mathematics programs and/or SBE-adopted reading or mathematics intensive intervention instructional programs in use at the school. In addition, professional development is provided by experienced trainers to support Gifted and Talented students, English Learners and students with disabilities in all grade levels and programs.

5. Alignment of staff development to content standards, assessed student performance, and professional needs (ESEA)

   The school's site and District sponsored staff development address most professional staff development needs. The District's Instructional Action Plan and Centralized Services assists in guiding and providing Pathway's administration with direction and pertinent feedback regarding best teaching practices and strategies, as well as how to align curriculum to standards. Pathway Community Day School staff attends conferences such as the California Continuation Education Association (CCEA) State conference to learn the latest best practices regarding at-risk youth. Relevant educational workshops and sessions regarding effective best teaching practices and literacy training are offered, and attended by the staff, including sessions on aligning curriculum to the standards, student assessment, credit recovery, student drop-out prevention, effective intervention and remediation best practices. Staff will also attend other trainings throughout the year.

6. Ongoing instructional assistance and support for teachers (e.g., use of content experts and instructional coaches) (EPC)

   The district and school collaborate to provide instructional assistance and ongoing support to all teachers, including ELA/ELD and mathematics. Trained instructional support coaches who are knowledgeable about the adopted programs and effective instructional pedagogy work inside the classroom to support teachers and deepen their knowledge about the content and the delivery of instruction.

7. Teacher collaboration by grade level (kindergarten through grade eight [K–8]) and department (grades nine through twelve) (EPC)

   The school facilitates and supports a one-hour structured collaboration meeting every other week and provides adequate time for the PLC team to meet at a minimum of 40 minutes on alternating weeks so that PLC collaboration occurs every week in order for all teachers in all grades to analyze, discuss, and utilize the results of common assessments, state assessments and district benchmarks to guide student placement, instructional planning and delivery, and progress monitoring, within all core and intervention programs. Teachers have been trained and continue to receive support in the use of the Data Teams Process to efficiently review data and create next-step actions that the PLC commits to implementing and monitoring. In this setting, PLCs are able to analyze, discuss, and utilize the results of student formative data to guide instructional planning and delivery with more input from teachers throughout the district.

Teaching and Learning

8. Alignment of curriculum, instruction, and materials to content and performance standards (ESEA)

   All course outlines and materials are aligned to the California State Content and Performance Standards, along with California Common Core State Standards.

9. Adherence to recommended instructional minutes for reading/language arts and mathematics (K–8) (EPC)

   Through the school's master schedule, the school allocates adequate instructional time for the reading/language arts and mathematics. In addition, the school allocates additional time as appropriate for strategic support, ELD for identified ELs, and support to master the required academic skills. This provides all students, including ELs, students with disabilities (SWDs), students with learning difficulties, and advanced learners sufficient instruction and practice to meet their instructional needs. This time is given priority and is protected from interruptions.

10. Lesson pacing schedule (K–8) and master schedule flexibility for sufficient numbers of intervention courses (EPC)

    The district and school prepare, distribute, and monitor the use of an annual district-instructional/assessment pacing guide for each grade level for the standards-aligned, basic core RLA/ELD, strategic support and intensive intervention programs and standards-aligned mathematics basic core, strategic, and Grades intensive intervention programs in order for all teachers to follow a common sequence of instruction and assessment.

    Use of the pacing guide ensures that all students receive a common sequence of grade-level instruction and common assessments. Data analysis of common assessments in teacher collaboration informs instructional planning and decision-making.

    The basic core course pacing guide is the foundational pacing guide for the strategic support class. The teacher uses the basic core course pacing guide and intensifies the focus on key standards ensuring: 1) an alignment to the grade-level ELA/ELD and/or mathematics content being taught; 2) the use of the adopted basic core program ancillary materials; 3) time for pre/re-teaching; and 4) time to address specific skill needs of students.

11. Availability of standards-based instructional materials appropriate to all student groups (ESEA)

    All district adopted textbooks and ancillary materials are standards-aligned and meet our students' educational needs. The materials are selected by our district's textbook adoption committees for their alignment to the rigorous standards set forth by the state and the educational needs of our students.

12. Use of SBE-adopted and standards-aligned instructional materials, including intervention materials, and for high school students, access to standards-aligned core courses (EPC)

The school/district provides for all students, including English learners (ELs), students with disabilities (SWDs), students with learning difficulties and advanced learners, standards-aligned textbooks and instructional materials, including ancillary materials for universal access for all ninth and tenth grade ELA courses as well as intensive reading intervention courses for identified students; and for mathematics, standards-aligned mathematics textbooks and instructional materials for all students enrolled in Mathematics I in an integrated sequence. These programs are implemented as designed in every classroom with materials for every student. ELD: Depending on the grade level ELD materials found on the SBE-approved supplementary materials list are used to provide ELD instruction to ELs.

Opportunity and Equal Educational Access

13. Services provided by the regular program that enable underperforming students to meet standards (ESEA)

Due to small class sizes, one on one instruction by teachers can be provided on a daily basis.

14. Research-based educational practices to raise student achievement

Research-based educational practices that are proven to be effective in raising student achievement are the foundation of the Central Way. Developed with input from every school team, the Central Way identifies key expectations for the practices of teachers as well as the practices of students that should be developed in order to positively impact achievement. At the core of each of these practices are the characteristics of a multi-tiered system of support for teaching and learning that include student engagement, setting of standards-based learning intentions and success criteria based on diagnosis of student need, promotion of student ownership in learning with timely and the consistent use of effective feedback. Essential to student engagement and learning are teachers who create a learning environment that stimulates curiosity, creativity and motivation. The Central Way promotes teacher clarity, a research-based educational practice with the highest effect size (Hattie), through high-impact professional learning teams that rely on formative data to define progress and prescribe next steps for teaching and learning.

Parental Involvement

15. Resources available from family, school, district, and community to assist under-achieving students (ESEA)

Regular communication with parents enables their support for students to meet attendance and behavioral requirements, as well as academic requirements. Because of the importance of the parental role, this year Pathway and Central Unified School District sponsored the Parent Project, a ten week class lead by the Principal and district staff, which provides parents with information on parenting, and other topics that are beneficial to the family and their child's success.

Principal/Counselor Meetings
At least once a semester, all ninth through twelfth grade students that are enrolled at Pathway Community Day School meet with the Principal and/or Counselor to review and discuss their current graduate standings, discipline records, and personal goals. Students are placed in appropriate academic courses according to their graduation requirement needs.

School Psychologist
School psychologists tailor their services to the particular needs of each child and each situation. They provide mental health services that address needs at home and school to help students succeed academically, emotionally, and socially. School psychologists use many different approaches, but most provide these core services: Consultation, Intervention, Prevention, Education, Research and Planning, Assessment, and Health Care Provision.

16. Involvement of parents, community representatives, classroom teachers, other school personnel, and students in secondary schools, in the planning, implementation, and evaluation of ConApp programs (5 California Code of Regulations 3932)

    Parents are strongly encouraged to take an active role and visit classrooms, as well as back to school nights and any other functions. School staff contact parents regularly by phone, and meet with them regularly, based on need. Parents are invited to participate in the School Site Council, and parent input is always welcome in any form.

<u>Funding</u>

17. Services provided by categorical funds that enable underperforming students to meet standards (ESEA)

    Special Education has provided Pathway with 15 lap-top computers for students. The computers were provided to target special education students. Implementation of the E2020 program (online courses) is designed to increase opportunities for student to earn credits. The school's LCFF funds will be used to provide our students and staff with the appropriate resources to improve student learning, attendance, and remediation. These funds will be used to replace outdated library books with more contemporary and high-student interest ones. Targeted Assistance funds are used to increase quality instruction provided by the teacher, using scientifically research-based instructional methods and strategies that strengthen the core academic program of the school and align with general classroom instruction and Common Core Standards based curriculum.
    Targeted Assistance and Title I Funds will be budgeted for staff to attend conferences and staff development training, instructional supplies, educational software and hardware as needed,as well as ancillary educational materials. Staff members can attend EL related conferences and EL students can attend curriculum related academic field trips if available. Teachers of English Learners may also attend curriculum related inservices and training opportunities. Staff members are encouraged to attend related conferences related to the needs of at-risk youth. Outside vendors may be employed to teach or train staff members on using strategies appropriate for English Learners and "At-Risk" students.

18. Fiscal support (EPC)

    The school and district's general and categorical funds are coordinated, prioritized, and allocated to align with the full implementation of the EPCs in ELA/ELD and Mathematics and the Single Plan for Student Achievement (SPSA).

    The SPSA is aligned with the goals and activities in the LEAP/LCAP Plan.
    The district, working in conjunction with the school, provides ongoing support, fiscal and in-kind resources to implement fully and sustain the strategic priorities identified by the school in the APS, and applied in the SPSA.
    District general and categorical budgets and LEAP/LCAP Plan demonstrate on-going commitment to continue support for EPC-related school reform.

Description of Barriers and Related School Goals

Barriers for the district include an increase in population without an equivalent increase in funding. This growth has proven to be challenging for both students and staff. At times, classrooms have been congested. Teachers have learned how to wisely and patiently utilize class space and class time to get the most out of their educational experience. CUSD last year opened a new elementary school to address this.

Minimal parent involvement is also a barrier to student achievement. Many students come from single family homes or group homes and foster homes. Most parents have to work, and some have more than one job, leaving them little time to visit school or support their child during the school day. Additionally, parents may have more than one child at a different school, further impacting parents ability to interact with the school Pathway Community Day School makes an effort to contact parents through phone calls to keep them informed of their student's progress. Staff also conduct home visits, including district SARB staff, the Principal and teachers.

Pathway Community Day School is committed to overcoming these obstacles. "Every student can learn" is not just a slogan, but an abiding belief by all staff.

Parent and student surveys will be conducted throughout the 2017-18 school year to measure school performance.

Although many efforts are made to aid under-performing students, not all needs are being met. The teaching staff is small, thus limiting the number of courses offered to students. At times, not all students are able to take a class in all the curricular areas each semester. A common challenge Community Day Schools face is students who are academically far behind or have low motivation. Many have failed classes in the past, causing them to get "off graduation track", while others are simply functioning far below their grade level. The wide range of abilities in classrooms presents a great challenge for administration and instructors.

Implementation of a school-wide PLC/data team with an emphasis on individual/student growth, vocabulary instruction, and improvement in Direct Instruction Models, is designed to help students to increase their learning.

Edgenuity has allowed students who are behind in credits to retrieve credits through targeted courses.

Planned Improvements in Student Performance

Goal: English Language Arts

The School Site Council has analyzed the academic performance of all student groups and has considered the effectiveness of key elements of the instructional program for students failing to meet student performance targets. As a result, it has adopted the following school goals, related actions, and expenditures to raise the academic performance of students not yet meeting state standards:

SUBJECT: English Language Arts
LEA GOAL:
LEAP Performance Goal 1: All students will reach high standards, at a minimum, attaining proficiency or better in reading. LCAP Goal 1: Every student meets or exceeds grade level core standards and is prepared for college, career, & community.
SCHOOL GOAL:
All students will grow by 1 year or be on appropriate grade reading levels as measured by district benchmarks .
Data Used to Form this Goal:
Assessment scores from CELDT, Benchmark assessments, SBAC
Findings from the Analysis of this Data:
Over 50% of students are below grade level in reading.
Means of evaluating progress & group data needed to measure gains:
Grades and attendance are reviewed every 6 weeks, with progress reports being issued every 3 weeks Benchmark Data CELDT scores Lexia Reading Core5 Assessments SBAC Scores

School Site Council Members

California Education Code describes the required composition of the School Site Council (SSC). The SSC shall be composed of the principal and representatives of: teachers selected by teachers at the school; other school personnel selected by other school personnel at the school; parents of pupils attending the school selected by such parents; and, in secondary schools, pupils selected by pupils attending the school. The current make-up of the SSC is as follows:

Name of Members	Principal	Classroom Teacher	Other School Staff	Parent or Community Member	Secondary Students
Nick Hustedde	X				
Sunny Dhillon		X			
Cheryl Fowlkes		X			X
John Barber		X			
Mark Brown		X			
Mary Wilson			X		
Henry Pauls				X	
Oluwatoyin Mixon-Emeseh				X	
Irene Ceballos				X	
Sarah Ceballos					X
Hunter Briggs					X
Cereli Diaz					X
Numbers of members of each category:	**1**	**4**	**1**	**3**	**3**

At elementary schools, the school site council must be constituted to ensure parity between (a) the principal, classroom teachers, and other school personnel, and (b) parents of students attending the school or other community members. Classroom teachers must comprise a majority of persons represented under section (a). At secondary schools there must be, in addition, equal numbers of parents or other community members selected by parents, and students. Members must be selected by their peer group.

Recommendations and Assurances

The school site council (SSC) recommends this school plan and Proposed Expenditure(s)s to the district governing board for approval and assures the board of the following:

1. The SSC is correctly constituted and was formed in accordance with district governing board policy and state law.

2. The SSC reviewed its responsibilities under state law and district governing board policies, including those board policies relating to material changes in the Single Plan for Student Achievement (SPSA) requiring board approval.

Pershing Continuation High School/Pathway Community Day School
School-Level Parental Involvement Policy
2017 - 2018

Pathway/Pershing Schools has developed a written Parental Involvement Policy with input from Pathway parents. Parental input was solicited through our School Site Council meetings. We have distributed the policy to parents of Pathway students. The school's Parental Involvement Policy is distributed to all parents through our school's first day enrollment packet that is given to all parents during student orientations. Pathway/Pershing Schools's policy describes the means for carrying out the following Pathway Parental Involvement requirements. [Pathway Parental Involvement, 20 USC 6318(a)-(f)]

Involvement of Parents in the School Program

Pathway/Pershing Schools conduct the following:

1. Convenes an annual meeting to inform parents of Pathway students of Pathway requirements and their rights to be involved in the Pathway program.

   • Each Fall, an Annual Parent Meeting is held during our Back to School Night.
   • Parents are recruited to participate in our School Site Council.

2. Offers a flexible number of meetings.

   • Meetings are held after school to meet the needs of parents and guardians that work, attend school or are home-makers. Days are chosen by both administration and SSC members that are most convenient to meet the busy schedules of the members.

3. Involves parents of students in an organized, ongoing, and timely way, in the planning, review, and improvement of its programs and the Parental Involvement Policy.

   • Parents and guardians are encouraged to participate in our School's Site Council.
   • Flyers are sent home with students announcing our School's Site Council meetings.

4. Provides parents of students with timely information about School programs.

   • Due to continuous enrollment throughout the year, a weekly orientation is held with new students and their parents where information about programs is shared.
   • Administration provides parents and guardians with the opportunity to learn about the program during our Back to School Night.
   • Connect Ed messages and flyers are sent home through-out the school year.

- Parents and guardians are encouraged to participate in our School's Site Council.

5. Provide parents of students with an explanation of the curriculum, assessments, and proficiency levels students are expected to meet.

- Staff reviews their course outlines, classroom expectations and curriculum with parent and guardians during our Back to School Night.
- Administration meets with students and parents during student orientation to explain the importance and value of the CSTs, CAHSEE and local benchmarks.

5. Provide parents of students, if requested, with opportunities for regular meetings to participate in decisions relating to the education of their children.

- Our staff encourages parents and guardians to participate in their student(s) education. Daily phone calls are made to parents and guardians regarding student absences. Staff flex their schedules according to parent needs to encourage meetings at school
- For parents with transportation issues, Administration will do a home visit for parents needing a face to face meeting.

**The policy must be updated periodically to meet changing needs of parents and the school. If the school has a process for involving parents in planning and designing the school's programs, the school may use that process if it includes adequate representation of parents of Pathway children. [20 USC 6318(c) (3)]

School-Parent Compact

Pathway/Pershing Schools has jointly developed with and distributed to parents of students a school-parent compact that outlines how parents, the entire school staff, and students will share the responsibility for improved student academic achievement. It also describes how the school and parents will develop a partnership to help children reach proficiency on the California content standards. The school-parent compact describes the following items in addition to items added by parents
of students:

- 1 –

1. The school's responsibility to provide high-quality curriculum and instruction
2. The parents' responsibility to support their children's learning
3. The importance of ongoing communication between parents and teachers through, at least, annual conferences, reports on student progress, access to staff, and opportunities to volunteer and participate in and observe the educational program

- Parents are provided with the opportunity to participate in School's Site Council to discuss issues that are important to their student's education.

- Parents complete a Student Home Compact during their student's orientation. The Student Home Compact is then reviewed with the student. A copy is provided to the parent/guardian.

Building Capacity for Involvement

Pathway/Pershing Schools engages parents in meaningful interactions with the school. It supports a partnership among staff, parents, and the community to improve student academic achievement. To help reach these goals, the school does the following:

1. Assists parents in understanding academic content standards, assessments, and how to monitor and improve the achievement of their children.

- Administration meets with parents during orientation to discuss curriculum, school-wide expectation and the important of assessments.
- Upon request or need, administration meets with parents to discuss their student's academic status and goals.
- Letters are mailed to inform parents/guardians on their child's individual student assessment results and the methods available for the monitoring of student progress.
- Parent Portal is available to parents and students 24/7, allowing up-to-date information on student grades.

2. Provides materials and training to help parents work with their children to improve their children's achievement.

1. Through phone calls and emails, staff provide parents/guardians with techniques and strategies that they may use to improve their children's academic success and help their children in learning at home. Upon request or need, on-site training opportunities are also provided.

2. Educates staff, with the assistance of parents, on the value of parent contributions and how to work with parents as equal partners.

- Staff and parents are encouraged to participate in the School Site Council.
- Meetings are held with administration, staff and parents to discuss strategies that will assist their students become more successful in school and to review the important roles that each play in our students' education.

3. Coordinates and integrates the Parental Involvement Program with other programs and conducts other activities, such as parent resource centers, that encourage and support parents in more fully participating in the education of their children.

- Administration and teachers encourage parents/guardians to serve as volunteers in the schools, attend student activities and school meetings, and participate in site councils, LCAP input meetings, advisory councils and other activities in which they may undertake advisory and advocacy roles.

5. Distributes to parents information related to school and parent programs, meetings, and other activities in a form and language that the parents understand.

- Documentation is provided in both English and Spanish and other languages upon request.
- Bilingual staff are able to provide translation in Spanish.

6. Provides support for parental involvement activities requested by Pathway parents.

- Teacher meetings, administrative meetings and School Site Council meetings provide parents/guardians opportunities for regular meetings to formulate suggestions, share experiences with other parents and participate as appropriate in decisions relating to the education of their children.

Accessibility

Pathway/Pershing Schools provides opportunities for all parents to participate, including parents with limited English proficiency, parents with disabilities, and parents of migratory students. This includes providing information and school reports in a form and language parents understand.

- Provide interpreters and translations, when necessary or upon request, in order to encourage the participation of parents/guardians with cultural, language, or other barriers which may inhibit such participation.
- Communication is sent home in English and Spanish.

Parent Information and Resource Centers (PIRCs)
PIRCs are funded by the US Department of Education. They provide both local and statewide services. California has two PIRCs: PIRCI, Project Inspire at the California Association of Bilingual Education, Covina, CA and PIRC2, Cal-PIRC at Cambridge Academies, Modesto, CA.
http://www.nationalpirc.org/directory/CA-7.html

PIRCI, Project Inspire is the result of a partnership among the California Association for Bilingual Education, the San Bernardino County Superintendent of Schools, and the Alameda County Office of Education. Project Inspire provides parent training workshops and will be funded through 201 1. A list of workshop topics and a brochure in English and Spanish that describes services are available at
http://www.bilingualeducation.org/programs *parent.php.* are available in multiple languages.

PIRC2, Cal-PIRC has established three Parent Information and Resource Center hubs in Northern and Central California. Cal-PIRC provides direct services to parents and schools in selected communities within Merced and Stanislaus Counties, and West Sacramento areas. It also provides support throughout the state through conferences, workshops, and a Web site. Cal-PIRC will be funded through 201 1.
Whenever available, resources are posted in English, Spanish, Russian, Chinese, Arabic, and Hmong.
