

Surplus items for Board approval: Please approve the following items for surplus. Most of the items were offered to all the sites for 30 days. Items that were not offered due to noncompliance to District standards, and / or because severe damage or possible injury to persons. All future computers submitted for surplus will have the hard drives destroyed before submitted for Board approval. Warehouse staff will witness the destruction for an added level of security. We are using Electronic Recyclers for our e-waste in Fresno to dispose of our computers & electronics that do not work. Rock'N Auctions is the company we are using to auction all other surplus. Items not sold at auction are disposed of.
