Thank you again for the opportunity to provide inspection services for the District.

Our not-to-exceed fee is one hundred eighteen thousand dollars (\$ 118,000.00)..

This is based on our hourly inspection rate (\$75.00) for the duration of the project. It is agreed if additional inspection services are needed, qualified and certified assistance will be provided.

We look forward to another successful project and will again do our part to make that happen.

Yours truly
