Admission

BP 5111

Students

Note: Pursuant to Education Code 48200, all children ages 6-18 years are subject to compulsory full-time education, unless specifically exempted. See BP/AR 5112.1 - Exemptions from Attendance for further information about such exemptions.

Note: Pursuant to Education Code 234.7, as added by AB 699 (Ch. 493, Statutes of 2017), districts are mandated to adopt policy, equivalent to a model policy developed by the California Attorney General, which prohibits the solicitation or collection of information regarding the immigration or citizenship status of students and their families, unless otherwise required by law. See the Office of the Attorney General's publication Promoting a Safe and Secure Learning Environment for All: Guidance and Model Policies to Assist California's K-12 Schools in Responding to Immigration Issues, available on its web site. These requirements are addressed in the following policy and BP/AR 5111.1 - District Residency.

Note: In Plyler v. Doe, the U.S. Supreme Court ruled that, under the Fourteenth Amendment to the U.S. Constitution, students cannot be denied a free public education on the basis of their citizenship or immigration status, including their status as undocumented children. As discussed in a Dear Colleague Letter and fact sheet, Information on the Rights of All Children to Enroll in School, jointly issued by the U.S. Department of Justice's Civil Rights Division and U.S. Department of Education's Office for Civil Rights, it may be a violation of federal law for districts to adopt a policy or procedure that prohibits or discourages children from enrolling in school because they or their parents/guardians are not United States citizens or are undocumented. For further discussion of these issues, see CSBA's Legal Guidance on Providing All Children Equal Access to Education, Regardless of Immigration Status. CSBA's legal guidance also includes a sample board resolution that may be used to inform students, parents/guardians, and the community of students' rights under current law to attend a district school regardless of their citizenship or immigration status.

The Governing Board encourages the enrollment and appropriate placement of all school-aged children in school. The Superintendent or designee shall inform parents/guardians of children seeking admission to a district school at any grade level about admission requirements and shall assist them with enrollment procedures.

Note: The following optional paragraph may be revised to reflect district practice. The district should align the application windows for various attendance options in a manner that will allow the district to meet legal requirements pertaining to admissions priorities. See BP/AR 5116.1 - Intradistrict Open Enrollment, AR 5117 - Interdistrict Attendance, and BP/AR 5118 - Open Enrollment Act Transfers for application windows applicable to those options.

The Superintendent or designee shall announce and publicize the timeline and process for registration of students at district schools. Applications for intradistrict or interdistrict enrollment shall be subject to the timelines specified in applicable Board policies and administrative regulations.

(cf. 1113 - District and School Web Sites)
(cf. 1114 - District-Sponsored Social Media)
(cf. 5116.1 - Intradistrict Open Enrollment)
(cf. 5117 - Interdistrict Attendance)
(cf. 5118 - Open Enrollment Act Transfers)

All appropriate staff shall receive training on district admission policies and procedures, including information regarding the types of documentation that can and cannot be requested.

Note: Education Code 49452.9 requires that district enrollment forms include an informational item about affordable health care options and available enrollment assistance. Pursuant to Education Code 49452.9, the district could accomplish this by developing its own informational item or using a flier developed by the California Department of Education.

The district's enrollment application shall include information about the health care options and enrollment assistance available to families within the district. The district shall not discriminate against any child for not having health care coverage and shall not use any information relating to a child's health care coverage or his/her interest in learning about health care coverage in any manner that would harm the child or his/her family. (Education Code 49452.9)

Verification of Admission Eligibility

Note: Admission requirements include age criteria for grades K-1; see the accompanying administrative regulation. Other admission requirements are addressed in AR 5111.1 - District Residency, BP/AR 5141.31 - Immunizations, and AR 5141.32 - Health Screening for School Entry.

Before enrolling any child in a district school, the Superintendent or designee shall verify the child's age, residency, immunization, and other applicable eligibility criteria specified in law, the accompanying administrative regulation, or other applicable Board policy or administrative regulation.

(cf. 5111.1 - District Residency)
(cf. 5125 - Student Records)
(cf. 5141.3 - Health Examinations)
(cf. 5141.31 - Immunizations)
(cf. 5141.32 - Health Screening for School Entry)

***Note: Although districts may require proof of residency within the district (e.g., utility or

phone bill, property tax payment receipt, rental property lease agreement, etc.), they are prohibited, pursuant to Education Code 234.7, as added by AB 699 (Ch. 493, Statutes of 2017), from inquiring into the citizenship or immigration status of students and their families. Consequently, consistent with the Attorney General's model policy, districts may not request a student's or parent/guardian's green card, visa, passport, voter registration, or other documentation that indicates citizenship status and could discourage undocumented children from enrolling in school. Also see BP/AR 5111.1 - District Residency.***

Note: In addition, pursuant to Education Code 49076.7, a district is prohibited from soliciting or collecting social security numbers or the last four digits of social security numbers of students or their parents/guardians, unless otherwise required to do so by state or federal law. One such exception is the collection of the last four digits of the social security number for the purpose of establishing eligibility for a federal benefit program. Also see BP/AR 5125 - Student Records.

The district shall not inquire into or request documentation of a student's social security number or the last four digits of the social security number or the citizenship or immigration status of the student or his/her family members. (Education Code 234.7, 49076.7)

(cf. 0410 - Nondiscrimination in District Programs and Activities)
(cf. 5145.13 - Response to Immigration Enforcement)
(cf. 5145.3 - Nondiscrimination/Harassment)

Note: The following paragraph reflects the Attorney General's model policy developed pursuant to Education Code 234.7. Information regarding national origin (e.g., place of birth, date of entry into the United States, and date the student first attended school in the United States) may be collected only when required to comply with state or federal reporting requirements for special programs, such as language instruction programs for English learners, but should not be collected during the admission process to avoid deterring initial school enrollment of immigrant students.

However, such information may be collected when required by state or federal law or to comply with requirements for special state or federal programs. In any such situation, the information shall be collected separately from the school enrollment process and the Superintendent or designee shall explain the limited purpose for which the information is collected. Enrollment in a district school shall not be denied on the basis of any such information of the student or his/her parents/guardians obtained by the district, or the student's or parent/guardian's refusal to provide such information to the district.

***Note: The following paragraph is for use by districts that maintain grades K-1. In addition to the methods specified in Education Code 48002 for documenting a child's age for admittance to kindergarten or first grade, as listed in the accompanying administrative regulation, the Governing Board is authorized to prescribe alternative means for proof of a child's age. The following paragraph may be revised to reflect any such alternative means approved by the Board. The following paragraph also reflects the Attorney General's model policy, developed pursuant to Education Code 234.7, requiring that such alternative means be available to all persons

regardless of immigration status, citizenship status, or national origin.***

School registration information shall list all possible means of documenting a child's age for grades K-1 as authorized by Education Code 48002 or otherwise prescribed by the Board. Any alternative document allowed by the district shall be one that all persons can obtain regardless of immigration status, citizenship status, or national origin and shall not reveal information related to citizenship or immigrant status.

Note: State and federal law require the immediate enrollment of homeless youth (Education Code 48850, 48852.7; 42 USC 11432), foster youth (Education Code 48853.5), and former juvenile court school students (Education Code 48645.5) regardless of their ability to provide the school with records normally required for enrollment; see BP/AR 6173 - Education for Homeless Children, AR 6173.1 - Education for Foster Youth, and AR 6173.3 - Education for Juvenile Court School Students. In addition, Education Code 49701 requires the district to facilitate the enrollment of children of military families and to ensure that they are not placed at a disadvantage due to difficulty in the transfer of their records from previous school districts and/or variations in entrance or age requirements; see BP/AR 6173.2 - Education of Children of Military Families.

The Superintendent or designee shall immediately enroll a homeless student, foster youth, student who has had contact with the juvenile justice system, or a child of a military family regardless of outstanding fees or fines owed to the student's last school, lack of clothing normally required by the school, such as school uniforms, or his/her inability to produce previous academic, medical, or other records normally required for enrollment. (Education Code 48645.5, 48850, 48852.7, 48853.5, 49701; 42 USC 11432)
