Executive Director  
California Transportation Commission  
1120 N. Street, Mail Station 52  
Sacramento, CA 95814

Dear Ms. Bransen,

Re: City of Fresno Active Transportation Program Grant Application

The City of Fresno is applying for funding from the Active Transportation Program to install sidewalk, a traffic signal, extend bike lanes and add lighting near Teague Elementary School. Per the grant program guidelines, projects which include right of way easements require a letter of support or neutrality from each of the agencies impacted.

Central Unified School District is supportive of the improvements on Gettysburg Avenue and will collaborate with the City of Fresno to provide an easement in order for the project to be completed. While the details of the easement will be determined upon grant award, the process will not negatively impact the project schedule and has been accounted for in the timelines submitted in the grant application.

Sincerely,

Central Unified School District

Kelly Porterfield  
Assistant Superintendent  
Chief Business Officer
