Thank you again for the opportunity to provide inspection services for the District.

My not-to-exceed fee is three hundred fifty two thousand eight hundred dollars (\$352,800.00)..

This is based on our hourly rate (\$70.00) for one and one half full time inspectors for the duration of the projects. It is agreed if additional inspection services are needed, qualified and certified assistance will be provided.

I look forward to another successful project and I will again do my part to make that happen.

Yours truly
