#### Board Bylaws

\*\*\*Note: Pursuant to Government Code 54960, the district attorney or any interested person can sue the Governing Board in order to stop or prevent violations of the Brown Act or to determine whether any Board rule or action which penalizes or otherwise discourages the expression of one or more of its members is valid or invalid under law. The following optional bylaw may be modified as appropriate.\*\*\*

The Governing Board recognizes the responsibility of Board members in their role as community leaders to participate in public discourse on matters of civic or community interest, including those involving the district, and their right to freely express their personal views. However, to ensure communication of a consistent, unified message regarding district issues, Board members are expected to respect the authority of the Board to choose its representatives to communicate its positions and to abide by established protocols.

\*\*\*Note: Many districts designate the Board president and/or Superintendent to communicate with the public on behalf of the district. Any district that has designated another position for this responsibility may revise the following paragraph to reflect district practice.\*\*\*

All public statements authorized to be made on behalf of the Board shall be made by the Board president or, if appropriate, by the Superintendent or other designated representative.

(cf. 2110 - Superintendent Responsibilities and Duties)

(cf. 9121 - President)

(cf. 9200 - Limits of Board Member Authority)

When speaking for the district, the Board encourages its spokespersons to exercise restraint and tact and to communicate the message in a manner that promotes public confidence in the Board's leadership.

Board spokespersons shall not disclose confidential information or information received in closed session except when authorized by a majority of the Board. (Government Code 54963)

(cf. 9005 - Governance Standards)

(cf. 9011 - Disclosure of Confidential/Privileged Information)

When speaking to community groups, members of the public, or the media, individual Board members should recognize that their statements may be perceived as reflecting the views and positions of the Board. Board members have a responsibility to identify personal viewpoints as

such and not as the viewpoint of the Board.

(cf. 1100 - Communication with the Public)

(cf. 1112 - Media Relations)

In addition, the Board encourages members who participate on social networking sites, blogs, or other discussion or informational sites to conduct themselves in a respectful, courteous, and professional manner and to model good behavior for district students and the community. Such electronic communications are subject to the same standards and protocols established for other forms of communication, and the disclosure requirements of the California Public Records Act may likewise apply to them.

(cf. 1113 - District and School Web Sites)

(cf. 1114 - District-Sponsored Social Media)

(cf. 1340 - Access to District Records)

(cf. 9012 - Board Member Electronic Communications)
