

The Single Plan for Student Achievement

School: Roosevelt Elementary School
CDS Code: 10-73965-6006951
District: Central Unified School District
Principal: Brandi Fleming
Revision Date: 09/26/2017

The Single Plan for Student Achievement (SPSA) is a plan of actions to raise the academic performance of all students. California Education Code sections 41507, 41572, and 64001 and the federal Elementary and Secondary Education Act (ESEA) require each school to consolidate all school plans for programs funded through the ConApp and ESEA Program Improvement into the SPSA.

School Vision and Mission

Roosevelt Elementary School's Vision and Mission Statements

Vision: Our vision is to inspire and be inspired by our student's diverse gifts and strengths. Staff, students and parents will develop a love of learning as well as set rigorous academic goals. The Roosevelt community will demonstrate respect, responsibility, and safety.

Mission: Every student will receive rigorous standards based instruction in every classroom every day to ensure student learning.

School Profile

Roosevelt Elementary School is a K-6 school in the relative center of Central Unified School District. Roosevelt is located in a rural portion of our school district and serves approximately four hundred and ninety students. Roosevelt serves a high population, percentage wise, of English Learners and Socio-Economically Disadvantaged students, as well as a high population of Hispanic students. Roosevelt school serves approximately 490 students, with a significant amount of transiency. While Roosevelt is located in a rural area, the large majority of the students live in urban and suburban communities. Roosevelt has once again established a Parent Teacher Association (PTA) which has proven to be an integral part of our planning and co-curricular developments to enhance and elevate the level of parent participation and involvement, as well as have a formal venue to welcome and attain parent and community input and feedback. The development of our Parent Club has allowed for a higher level of a partnership between the school and our parent community.

Comprehensive Needs Assessment Components

Data Analysis

Please refer to the School and Student Performance Data section where an analysis is provided.

Surveys

This section provides a description of surveys (i.e., Student, Parent, Teacher) used during the school-year, and a summary of results from the survey(s).

A thorough and careful analysis of our 2016-2017 Parent Survey was used to identify areas of strength as well as areas of concern, via the viewpoints and perspectives of our parent community. In general, parents responded they were satisfied with many areas of the school's program, such as communication, opportunities for parent involvement, and its English Learner program. One survey item of particular interest and one that we, as a school site, put forth time, effort, and resources to improve upon, is "We receive regular communication from my child's teacher". As a result, the percentage of parents who responded "Usually/Always" increased from 81.4% to 89% an increase of 7.6%. However, looking at survey item 5 from Dimension 2: Quality Instruction is another area of concern. "I believe my child is participating in a high-quality academic program", the percentage of parents who responded "Usually/Always" decreased to 49% from a previous score of 81%. This shows an area of need as identified by our parent community. Another area of need identified is fair and consistent discipline (60%), and whether the school tolerates bullying and is safe (62%). These were two areas identified by our parent population which are in need of improvement. It should be noted the number of responses was 28, which means further data collection from a wider range of our parents is needed.

Classroom Observations

This section provides a description of types and frequency of classroom observations conducted during the school-year and a summary of findings.

The primary type of classroom observations conducted during the school year are "classroom drop-in observations", using our Central Unified School District Classroom Observation Protocol form. In addition to this type of classroom observation, we employ daily, routine classroom visits, as well as formal classroom observations as part of the formal teacher evaluation process. With all combined types of classroom observations, it is estimated that approximately eight classroom observations are conducted on a daily basis. The current drop in and evaluation process is a collaborative process between administrator and teacher that encourages dialogue and reflection. As a whole, our teachers effectively bring instructional strategies into their instructional planning and

delivery that they learn via professional development opportunities, provided within our district. During the 2017-2018 school year, our district is working toward utilizing Visible Learning and impact cycles for each school and grade level.

Analysis of Current Instructional Program

The following statements are derived from the Elementary and Secondary Education Act (ESEA) of 1965 and Essential Program Components (EPCs). In conjunction with the needs assessments, these categories may be used to discuss and develop critical findings that characterize current instructional practice for numerically significant subgroups as well as individual students who are:

- Not meeting performance goals
- Meeting performance goals
- Exceeding performance goals

Discussion of each of these statements should result in succinct and focused findings based on verifiable facts. Avoid vague or general descriptions. Each successive school plan should examine the status of these findings and note progress made. Special consideration should be given to any practices, policies, or procedures found to be noncompliant through ongoing monitoring of categorical programs.

Standards, Assessment, and Accountability

1. Use of state and local assessments to modify instruction and improve student achievement (ESEA)

The school uses both the results of state and local assessment data such as the Smarter Balanced Assessment and the English Language Proficiency Assessment for California to determine the effectiveness of our instruction and instructional strategies, school-wide, as individual grade level teams, as well as individual teachers. The student learning results attained via local assessments (eg. formative curriculum-embedded common assessments, CUSD Benchmarks and Performance Tasks) are continuously used to measure and identify specific areas of learning for specific students that need to be targeted for re-teaching and/or intervention opportunities. These identifications and instructional actions take place on a continuous and ongoing basis in a quest to help ensure every student is provided with instructional learning opportunities to continuously improve. The student learning results attained via state assessments (eg. CELDT) are analyzed on an annual basis, in a summative fashion, to inform us of curriculum and standard areas in which our students made growth, as well as areas in which our students declined. These findings reveal to us and inform us of those specific areas in which instructional modification is necessary in order to effectively improve student achievement.

2. Use of data to monitor student progress on curriculum-embedded assessments and modify instruction (EPC)

The school uses an ongoing assessment and monitoring system, Illuminate, that provides timely data from common assessments in order to support learning in both core and intensive intervention programs. Student achievement results from assessments (eg. Entry-level placement or diagnostic such as Fountas and Pinnell; progress monitoring such as DIBELS, including frequent formative and curriculum-embedded; and summative assessments such as district benchmarks, SBAC and CELDT) are used to inform teachers and principals on student placement, diagnosis, progress and effectiveness of instruction. Coordination between the data monitoring system, Illuminate, and our central student information system, Aeries, is established so that both systems have the appropriate information needed to support each student in placement, monitoring and advancement.

Staffing and Professional Development

3. Status of meeting requirements for highly qualified staff (ESEA)

All Central USD employees meet current requirements for employment. The term 'highly qualified teacher' was no longer applicable to districts as on May 2017. The district is currently waiting on approved language and definitions from both state and federal Every Student Succeeds Act (ESSA).

4. Sufficiency of credentialed teachers and teacher professional development (e.g., access to instructional materials training on SBE-adopted instructional materials) (EPC)

All teachers meet the criteria for employment during the transition from NCLB to ESSA. The district provides new teachers with instructional materials professional development by a knowledgeable and experienced Instructional Support Coach or experienced provider for SBE-adopted basic core ELA/ELD and mathematics programs. All teachers participate in ongoing professional development to support the continuing use of SBE-adopted ELA/ELD and mathematics programs and/or SBE-adopted reading or mathematics intensive intervention instructional programs in use at the school. In addition, professional development is provided by experienced trainers to support Gifted and Talented students, English Learners and students with disabilities in all grade levels and programs.

5. Alignment of staff development to content standards, assessed student performance, and professional needs (ESEA)

Continuous and ongoing professional development is provided for all instructional staff via district-wide training, site-based training, and professional development opportunities sought outside of our district. In the case of all three types of professional development offerings, targeted alignment is essential and maintained with regard to specific grade level content standards, student performance (as indicated by a continuous series of multiple measure indicators, as well as professional needs (as a whole and individualized for specific staff members, based on identified need). Professional development is being continuously provided for our TK- 6th grade teacher in the newly adopted math and English Language Arts curriculum.

6. Ongoing instructional assistance and support for teachers (e.g., use of content experts and instructional coaches) (EPC)

The district and school collaborate to provide instructional assistance and ongoing support to all teachers, including ELA/ELD and mathematics. Trained instructional support coaches who are knowledgeable about the adopted programs and effective instructional pedagogy work inside the classroom to support teachers and deepen their knowledge about the content and the delivery of instruction.

7. Teacher collaboration by grade level (kindergarten through grade eight [K–8]) and department (grades nine through twelve) (EPC)

The school facilitates and supports a one-hour structured collaboration meeting every other week and provides adequate time for the PLC team to meet at a minimum of 40 minutes on alternating weeks so that PLC collaboration occurs every week in order for all teachers in all grades to analyze, discuss, and utilize the results of common assessments, state assessments and district benchmarks to guide student placement, instructional planning and delivery, and progress monitoring, within all core and intervention programs. Teachers have been trained and continue to receive support in the use of the Data Teams Process to efficiently review data and create next-step actions that the PLC commits to implementing and monitoring. In this setting, PLCs are able to analyze, discuss, and utilize the results of student formative data to guide instructional planning and delivery with more input from teachers throughout the district.

Teaching and Learning

8. Alignment of curriculum, instruction, and materials to content and performance standards (ESEA)

Curriculum Frameworks are the blueprints for implementing the content standards. Frameworks are developed by the Curriculum Development and Supplemental Materials Commission, which also reviews and recommends textbooks and other instructional materials to be adopted by the SBE.

Subject and Grade Level - District Adopted Materials

R/LA:	K-6	McGraw-Hill Wonders
Mathematics:	K-6	Pearson
Social Science:	K-6	Houghton-Mifflin
Science:	K-6	McMillan-McGraw Hill

Our instructional staff meets in their grade level team specific Professional Learning Communities at a minimum of on a weekly basis in order to effectively align their instructional planning and instructional delivery to meet the current and ever-evolving needs of their individual students.

9. Adherence to recommended instructional minutes for reading/language arts and mathematics (K–8) (EPC)

The school allocates adequate instructional time as recommended in the California subject matter frameworks for the standards-aligned, basic core programs for R/LA and mathematics and intensive interventions as well as additional time for strategic support and ELD for identified ELs. This provides all students, including ELs, SWDs, students with learning difficulties, and advanced learners sufficient instruction and practice to meet their instructional needs. This time is given priority and is protected from interruptions.

R/LA:Core---Grade K 1 hour---Grades 1-3 2.5 hours---Grades 4-6 2 hours
R/LA Strategic and intensive---Grades K-6 will receive additional minutes

ELD Grade K 30 minutes---Grades 1-6 45 minutes

Mathematics: Core---Grade K 30 minutes---Grades 1-6 1 hour
Mathematics Strategic and intensive---Grades K-6 will receive additional minutes

10. Lesson pacing schedule (K–8) and master schedule flexibility for sufficient numbers of intervention courses (EPC)

The district and school prepare, distribute, and monitor the use of an annual district-instructional/assessment pacing guide for each grade level (kindergarten through grade six) for the standards-aligned, basic core RLA/ELD, strategic support and intensive intervention programs and standards-aligned mathematics basic core, strategic, and Grades 4-6 intensive intervention programs in order for all teachers to follow a common sequence of instruction and assessment.

Use of the pacing guide ensures that all students receive a common sequence of grade-level instruction and common assessments. Data analysis of common assessments in teacher collaboration informs instructional planning and decision-making.

The basic core course pacing guide is the foundational pacing guide for the strategic support class. The teacher uses the basic core course pacing guide and intensifies the focus on key standards ensuring: 1) an alignment to the grade-level ELA/ELD and/or mathematics content being taught; 2) the use of the adopted basic core program ancillary materials; 3) time for pre/re-teaching; and 4) time to address specific skill needs of students.

11. Availability of standards-based instructional materials appropriate to all student groups (ESEA)

The availability and distribution of standards-based instructional materials appropriate to all student groups are as follows:

Title I- All students receive explicit direct instruction based upon the Direct Instruction model with support of tiered intervention in Reading/Language Arts, while receiving differentiated instruction and materials from their teachers in all core content areas. In math, students have consistent time blocked opportunities to use ST Math to enhance student abilities to better understand mathematical concepts.

English Learners- All students receive explicit direct instruction with support of ELD curriculum (McGraw Hill- Wonders), differentiated instruction, daily opportunities to engage with peers and teacher within instruction, and explicit intentional academic vocabulary instruction in Reading/Language Arts, as well as all other core content areas. Students have consistent time blocked opportunities to use ST Math to enhance student abilities to better understand mathematical concepts.

Special Education- All students receive explicit direct instruction and differentiated support in Reading/Language Arts and math. The type and level of their differentiated instructional materials and support is dependent upon what is indicated in their Individualized Educational Program (IEP), as well as their academic achievement levels throughout the school year. Students have consistent time blocked opportunities to use ST Math to enhance student abilities to better understand mathematical concepts.

12. Use of SBE-adopted and standards-aligned instructional materials, including intervention materials, and for high school students, access to standards-aligned core courses (EPC)

The school/district provides for all students, including English learners (ELs), students with disabilities (SWDs), students with learning difficulties and advanced learners in all grade levels, standards-aligned, basic core instructional programs, including ancillary materials for universal access, for Reading/Language Arts/English Language Development (RLA/ELD- CCSS) and for mathematics (CCSS). The school/district also provides intensive intervention programs for identified students in Grades 4-8 in RLA/ELD and Grades 4-7 in mathematics. These programs are implemented as designed in every classroom with materials for every student.

13. Services provided by the regular program that enable underperforming students to meet standards (ESEA)

The eighth consecutive year of implementation of ST Math is offered for every student. The time and opportunity for each student to work on the computer adapted program is available to students throughout the day based on the teacher/ classroom schedule as each student has access to chrome books or tablets. This access to ST Math allows our students to make improved gains on the percentage of their grade level course in ST Math throughout the school year. This will increasingly support understanding of the conceptual understandings of the mathematical standards. ST Math is believed to have had a significant impact on the school-wide and significant subgroup gains made in mathematics for our students over the course of the last few years.

We offer a comprehensive Accelerated Reader program which targets the improvement and the consistent monitoring of every student's reading comprehension. Our effort is to have every child average at least 85% (preferably 90% or higher) on every AR quiz since the research indicates performance at this level directly impacts student improvement with reading comprehension, which improves their ability to better access and understand expected content area reading. Students are able to take their AR quizzes in our computer lab, on the student computers in their respective classrooms, and now on their personal student tablets.

Direct Instruction, as well other effective models of instructional delivery, are planned for and implemented every day, along with effective instructional strategies in order to successfully meet the learning needs of every student. Above and beyond this, our instructional staff meets on a weekly basis in their respective grade level team PLCs to intentionally identify and plan for the specific learning needs of under-performing students.

Students who meet the criteria for our Migrant Education program are continually assessed by their teachers using state and local assessments and identified to receive extra services and interventions as needed.

14. Research-based educational practices to raise student achievement

Research-based educational practices that are proven to be effective in raising student achievement are the foundation of the Central Way. Developed with input from every school team, the Central Way identifies key expectations for the practices of teachers as well as the practices of students that should be developed in order to positively impact achievement. At the core of each of these practices are the characteristics of a multi-tiered system of support for teaching and learning that include student engagement, setting of standards-based learning intentions and success criteria based on diagnosis of student need, promotion of student ownership in learning with timely and the consistent use of effective feedback. Essential to student engagement and learning are teachers who create a learning environment that stimulates curiosity, creativity and motivation. The Central Way promotes teacher clarity, a research-based educational practice with the highest effect size (Hattie), through high-impact professional learning teams that rely on formative data to define progress and prescribe next steps for teaching and learning.

Parental Involvement

15. Resources available from family, school, district, and community to assist under-achieving students (ESEA)

The results of the 2016-2017 Parent Survey indicate that additional attention is needed in providing our students with the academic and instructional resources to support their continued learning progress. We will continue to further assist and support these students with instructional best practices and individualized planning, preparation, and instruction to meet their specific learning needs as indicated by continuous progress monitoring and results from multiple assessment measures. Homework is assigned as a means for these students to gain more time practicing the knowledge and skills they have already learned, thus increasing their level of learning and understanding. Specifically designed Saturdays, "English Learner Saturday", have been created to strengthen the relationships and communication with our English Learner parents and to provide useful information for them about their child's academic and educational status and how they directly relate to and impact the educational trajectory of their child. We will also continue to provide continuous and timely communication to our families using our automated phone and e-mail messaging system, Connect-Ed, as well as our school website and printed information to go home with students and mailed home. We have continued to partner with the Fresno County Office of Education (FCOE) to bring Parent Education classes to our school site for all Roosevelt parents. This year we will be providing family nights to encourage participation in co-curricular activities. We also offer A wide variety of Parent Education and support classes/meeting are offered via our district as well. We have an active after school program that works closely with our school to enhance teaching that takes place with the school day. We have several of our parents who routinely volunteer at our school and within the classrooms, helping to support various under-achieving students. We will continue to offer our Literacy Academy after school and on Saturdays, expanding from 1st grade students to kindergarten and 1st grade students.

A wide array of resources and opportunities are made available:

Parent Conferences
Outline of grade level standards-based academic expectations
Report Cards
Progress Reports
Back to School Night
Open House
Award Ceremonies for Fall and Spring Semesters
Home-School Compact
Co-Curricular Participation (History Day, Science Fair, Young Author's Fair, Peach Blossom, Spelling Bee)
Student Study Team
Interpretation and translating services for Spanish and Punjabi speaking parents
School Site Council
English Language Advisory Committee
"English Learner Parent Engagement" Saturdays
Parent Support Classes
After school tutoring

All parents of non-English speaking families receive a letter explaining the results of the annual CELDT assessment to inform them of their child's level of English Language proficiency and of the services being provided for their child. In addition, if their child is identified as a Title I student, they receive a letter explaining how their child qualified as a Title I student, and they are subsequently invited to our Annual Title I Parent Meeting. This meeting informs parents about the services provided by Title I funding to assist their children who are underperforming, as well as receive their suggestions to better serve their children. Interpreters are provided for parents who require information and communication in Spanish during parent-teacher conferences, ELAC meetings, Title I meetings, Student Study Team meetings, and IEP meetings. Roosevelt also has a full-time office secretary who is fluent in Spanish who is always available to assist parents. Additionally, our school employs a bilingual (Hmong-speaking) community liaison who coordinates parent education classes, attends parent meetings, reaches out to parents to invite them to events and continually supports our goals to improve the home to school connection for student success.

16. Involvement of parents, community representatives, classroom teachers, other school personnel, and students in secondary schools, in the planning, implementation, and evaluation of ConApp programs (5 California Code of Regulations 3932)

The ConApp remains to be an agenda item for review, discussion, and evaluation for School Site Council and English Language Advisory Council meetings, which involves classroom teachers, parents, and other school personnel.

Funding

17. Services provided by categorical funds that enable underperforming students to meet standards (ESEA)

Tiered intervention support is provided for under performing students on a daily basis. An intervention teacher has been hired who teaches and instructs students through push-in and pull out services, while the classroom teacher provides direct intervention support for students identified as intensive learners, substantiating Tier 3 Intervention. Tier 2 Intervention is provided to students on a daily basis within the classroom by services the regular classroom teacher, identified via continuous Checking for Understanding and random selection strategies throughout each lesson, small group interventions and bi weekly push-in services. Tier 1 support is provided on a daily basis and defined as the regularly planned and delivered daily instruction for all students, intentionally differentiated to align with every individual student's learning level and learning needs.

We have hired a part time technology aid to work in our computer lab to maintain the consistent maintenance and function of our student laptop computers as well as the student chrome books and tablets in the classrooms. She is also providing leadership, guidance, and support for our students, staff, and parents with our new student chrome books and implementation of their various purposes and instructional functions. This will help ensure that our students always have access to a viable working student computer in all school site settings to promote the efficiency and efficacy of their learning.

Interactive Smart Boards, are being replaced and maintained this year equipped to ensure that every classroom has a working interactive smart board in every classroom to enhance the daily instruction and learning attainment of our students, while utilizing current educational technology to exemplify and reflect the increasingly evolving world of technology and the digital age within the 21st Century. This instructional tool provides an extended and varied instructional modality to help meet the learning needs of our under performing students.

With our diligent efforts to plan, prepare, and implement Direct Instruction, Concept Attainment, Cooperative Learning, 21st Century Skills and Inquiry Based lesson design in every classroom during every lesson every day in an effective manner, coupled with research based instructional strategies and effective pedagogy, our school is daily enriching the learning opportunities for every student. Our teachers continue to increase their instructional capacities and to differentiate for every student based upon his/her current instructional needs. The instructional staffs increased capacities, knowledge, and skills are made possible via continuous professional development.

Categorical funds have been identified to pay for substitutes throughout the school year to provide teachers with continuous opportunities to strengthen and improve their expertise, with regard to effectively assessing students, analyzing student achievement data, using the data to inform them of intentional action steps to take, to immediately and continuously plan, prepare, and meet the learning needs of under performing students. Above and beyond this, these funds provide teachers the needed opportunities to acquire professional development in lesson design, instructional delivery, effective instructional strategies, and instructional pedagogy, continuously learning best methods to meet the learning needs of our underperforming students.

ST Math is being provided for all students on a regularly time blocked schedule to improve and strengthen their conceptual math understandings at a minimum of three days each week.

A significant amount of instructional technology continues to be purchased to enhance the various learning modalities and effectively remain current with technology, while providing comprehensive opportunities for our students to learn in a manner that equates to our digital world in which they live. This helps prepare our students for college, career, and community.

18. Fiscal support (EPC)

The school and district's general and categorical funds are coordinated, prioritized, and allocated to align with the full implementation of the EPCs in ELA/ELD and Mathematics and the Single Plan for Student Achievement (SPSA).

The SPSA is aligned with the goals and activities in the LEAP/LCAP Plan.

The district, working in conjunction with the school, provides ongoing support, fiscal and in-kind resources to implement fully and sustain the strategic priorities identified by the school in the APS, and applied in the SPSA.

District general and categorical budgets and LEAP/LCAP Plan demonstrate on-going commitment to continue support for EPC-related school reform.

Description of Barriers and Related School Goals

We must build the parents trust in the educational system and fully enhance their understanding of the importance of education in fostering their student's success. Roosevelt staff continuously reaches out to parents, exploring various ways of communicating with them about their child and his/her academic and behavior status and progress. An aspect of this lack of parent engagement and connection to our school is the fact that a significant percentage of our families live a considerable distance from our school site and many experience transportation difficulties to attend meetings and events at their son/daughter's school. Many of our families are economically disadvantaged and both parents work full time or maintain single-parent homes and find it difficult to make a meaningful connection with our school. This difficulty in maintaining a strong home to school connection naturally results in conflicts and behavioral issues that students sometimes bring with them to the school site, as well as on the bus to and from school. Roosevelt staff has become and will remain innovative in order to remain resolved and committed to meet all of the educational and instructional needs of every student to ensure they are making continuous improvement.

All Grades	14	13	11.96	50	56	50.72	36	32	37.32

Conclusions based on this data:

1. Listening skills show to have highest rate of success for our students across grade levels if "At or Near Standard" and "Above Standard" are combined, while research/inquiry have the lowest combined scores.
2. Students in 5th and 6th grades has similar profiles, with reading and writing being higher than research and listening.
3. Third grade had the most difficulty in scoring above standard in any of the ELA / Literacy areas, though they scored highest in research/inquiry and reading.

Planned Improvements in Student Performance

Goal: English Language Arts

The School Site Council has analyzed the academic performance of all student groups and has considered the effectiveness of key elements of the instructional program for students failing to meet student performance targets. As a result, it has adopted the following school goals, related actions, and expenditures to raise the academic performance of students not yet meeting state standards:

SUBJECT: English Language Arts
LEA GOAL:
LEAP Performance Goal 1: All students will reach high standards, at a minimum, attaining proficiency or better in reading. LCAP Goal 1: Every student meets or exceeds grade level core standards and is prepared for college, career, & community.
SCHOOL GOAL:
Reading Proficiency: By June 2018, 80% of all K-2 students will be on grade level, as evidenced by End of Year Fountas & Pinnell Reading Levels. By June 2018 the percentage of 3rd-6th grade students meeting or exceeding standard in English Language Arts based on Smarter Balanced Assessment will be at 80%.
Data Used to Form this Goal:
2016-2017 End of Year Fountas & Pinnell Reading Results for kindergarten, 1st grade, and 2nd grade students. Percentage of Students Meeting or Exceeding Standards in English Language Arts Based on Smarter Balanced Assessments in 2016 vs. 2017.
Findings from the Analysis of this Data:
66% of out Transitional kindergarten students were reading at the expected level, as indicated by the Fountas & Pinnell "Instructional Level Expectations For Reading" chart 59% of our kindergarten students were reading at expected level, as indicated by the Fountas & Pinnell "Instructional Level Expectations For Reading" chart. (56% 2016-2017) 55% of our 1st grade students were reading at expected level, as indicated by the Fountas & Pinnell "Instructional Level Expectations For Reading" chart. (63% 2016-2017) 71% of our 2nd grade students were reading at expected level, as indicated by the Fountas & Pinnell "Instructional Level Expectations For Reading" chart. (71% 2016-2017) 62.5% of K-2 students were reading at the expected level. Though there was a school-wide average gain in average points (+19.9), there was no increase in the percentage of students that met or exceeded standards in English Language Arts Based on Smarter Balanced Assessments in 2016 vs. 2017.
Means of evaluating progress & group data needed to measure gains:
1. Dynamic Indicators of Basic Early Literacy Skills (DIBELS), 3-6 2. ELA Common Assessments (K-6) 3. Accelerated Reader Reports (K-6) 4. Benchmark Measurements (K-6) 5. Fountas & Pinnell, (K-2) 6. Local language proficiency assessments, EL students 7. Performance Tasks results (1-6) 8. Lexia results

Planned Improvements in Student Performance

Goal: English Language Development

The School Site Council has analyzed the academic performance of all student groups and has considered the effectiveness of key elements of the instructional program for students failing to meet student performance targets. As a result, it has adopted the following school goals, related actions, and expenditures to raise the academic performance of students not yet meeting state standards:

SUBJECT: English Language Development
LEA GOAL:
LEAP Performance Goal 2: All limited-English-proficient (LEP) students will become proficient in English and reach high academic standards, at a minimum attaining proficiency or better in reading/language arts and mathematics. LCAP Goal 1: Every student meets or exceeds grade level core standards and is prepared for college, career, & community. LCAP Goal 4: Assure 1 year of growth in language acquisition for every EL student.
SCHOOL GOAL
Every English Learner student will increase by at least one EL proficiency level as measured by local English Language Development Curriculum Assessments and English Language Arts benchmarks
Data Used to Form this Goal:
2016-2017 CELDT Assessment results
Findings from the Analysis of this Data:
Our English Learner students did not meet the AMAO 1 goal. The 2017 target AMAO 1 was 63.5%, the actual percentage of students attaining the English Proficient level was 37%. Our English Learner students did not meet the AMAO 2 less than 5 years cohort goal. The 2017 target AMAO 2 less than 5 years cohort goal was 26.7%, the percent of students attaining the English Proficient level was 23%. Our English Learner students did not meet the AMAO 2 more than 5 years cohort goal. The 2017 target AMAO 2 less more than 5 years cohort goal was 54.7% the percentage of students attaining the English Proficient level was 25%.

Planned Improvements in Student Performance

Goal: School Culture

The School Site Council has analyzed the academic performance of all student groups and has considered the effectiveness of key elements of the instructional program for students failing to meet student performance targets. As a result, it has adopted the following school goals, related actions, and expenditures to raise the academic performance of students not yet meeting state standards:

SUBJECT: School Culture
LEA GOAL:
LEAP Performance Goal 4: All students will be educated in learning environments that are safe, drug-free, and conducive to learning. LEAP Performance Goal 5: All students will graduate from high school. LCAP Goal 1: Every student meets or exceeds grade level core standards and is prepared for college, career, & community. LCAP Goal 2: Connect every student to school by providing equity of access to education opportunities and creating an environment conducive to learning for all students. LCAP Goal 3: Engage families in system-wide programs assuring student/families access to support for academic, social/emotional and physical well-being.
SCHOOL GOAL
We will increase the percentage of our parents who feel their child's teacher and/or principal provides them with ideas on how to help their child at home from 81.4 % to 90%. We will increase the percentage of our parents who believe that their child feels safe when he/she is at school from 90.4 % to 97%.
Data Used to Form this Goal:
2016-2017 Parent Survey, parent feedback at SSC and PTA General session meetings
Findings from the Analysis of this Data:
One area of concern from the survey was item 5 from Dimension 2: Quality Instruction is another area of concern. "I believe my child is participating in a high-quality academic program", the percentage of parents who responded "Usually/Always" decreased to 49% from a previous score of 81%. This shows an area of need as identified by our parent community. Another area of need identified is fair and consistent discipline (60%), and whether the school tolerates bullying and is safe (62%). These were two areas identified by our parent population which are in need of improvement.
Means of evaluating progress & group data needed to measure gains:
Attendance at Parent Education Classes Anecdotal feedback from parents Information provided for parents at Parent Conferences as well on an ongoing basis throughout the school year Amount of and level of information and communication sent home from principal/office Amount of expressed parent concerns regarding their child's safety and well being while at school Amount of documented behavioral incidents concerning bullying and/or similar offenses

School Site Council Members

California Education Code describes the required composition of the School Site Council (SSC). The SSC shall be composed of the principal and representatives of: teachers selected by teachers at the school; other school personnel selected by other school personnel at the school; parents of pupils attending the school selected by such parents; and, in secondary schools, pupils selected by pupils attending the school. The current make-up of the SSC is as follows:

Name of Members	Principal	Classroom Teacher	Other School Staff	Parent or Community Member	Secondary Students
Cynthia Gonzales				X	
Reyna Garcia				X	
Holly Lynch				X	
Virginia Ruiz				X	
Fred Woodard				X	
Tania Lynn			X		
Linda Prieto		X			
Debbie Scott		X			
Gary Geisler		X			
Brandi Fleming	X				
Numbers of members of each category:	1	3	1	5	

At elementary schools, the school site council must be constituted to ensure parity between (a) the principal, classroom teachers, and other school personnel, and (b) parents of students attending the school or other community members. Classroom teachers must comprise a majority of persons represented under section (a). At secondary schools there must be, in addition, equal numbers of parents or other community members selected by parents, and students. Members must be selected by their peer group.

Recommendations and Assurances

The school site council (SSC) recommends this school plan and Proposed Expenditure(s) to the district governing board for approval and assures the board of the following:

1. The SSC is correctly constituted and was formed in accordance with district governing board policy and state law.
2. The SSC reviewed its responsibilities under state law and district governing board policies, including those board policies relating to material changes in the Single Plan for Student Achievement (SPSA) requiring board approval.
3. The SSC sought and considered all recommendations from the following groups or committees before adopting this plan **(Check those that apply)**:

Roosevelt Elementary School

Title I School-Level Parental Involvement Policy 2017-2018

Roosevelt Elementary has developed a written Title I parent involvement policy with input from Title I and benchmark parents. In the spring, the previous year's policy is reviewed by School Site Council members for revisions. Following the approval of the School Site Council, the policy is printed in both English and Spanish to be distributed to all students at the beginning of the new school year. At the annual fall Title I parent meeting, copies are again given to parents attending the meeting. Roosevelt Elementary's policy describes the means for carrying out the following Title I parental involvement requirements. *[20 USC 6318 Section 1118(a)-(f)inclusive]*

Involvement of Parents in the Title I Program

Roosevelt Elementary School does the following:

1. The school convenes an annual meeting to inform parents of Title I students about Title I requirements and about the right of parents to be involved in the Title I program.
 - Prior to the scheduled annual Title I Parent Meeting, letters are mailed to the parents of identified Title I students notifying them that their child has been identified as a Title I student and extends an invitation to attend the first Title I meeting of the school year. This letter states the date, place, and time of the annual Title I meeting.
 - Information is provided about the process in which Title I students are identified.
 - At the annual Title I Parent Meeting, parents are invited to request more Title I parent meetings. Days and times are discussed. Parents are also encouraged to feel comfortable to communicate with their child's teacher any concerns they have with their child's progress.
2. Roosevelt Elementary offers a flexible number of meetings
 - All parents are invited to attend the School Site Council meetings which are held four to five times throughout the school year. Parents are informed of the meeting dates via Blackboard Connect, and the school marquee. The agenda is posted in the school office at least 72 hours in advance of the meeting.
 - Title I parents are invited to request Title I meetings. This is announced at the annual Title I parent meeting.
 - Additional parent involvement meetings are offered throughout the school year. All are designed to support parents with their child's education.
3. Roosevelt Elementary involves parents of Title I students in an organized, ongoing, and timely way in the planning, review, and improvement of its Title I programs and the Title I parental involvement policy.
 - The planning, review, and improvement of Title I programs is discussed at the School Site Council meetings. The posted School Site Council agenda notifies parents when the Title I programs will be discussed and when the parent involvement policy will be reviewed for revisions.
4. Parents of Title I students are provided timely information about Title I programs at:
 - Parent Teacher Conferences,
 - Title I Parent Meetings,
 - School Site Council Meetings,
 - English Learner Advisory Council (ELAC) meetings,
 - via Blackboard Connect messages and
 - the marquee.

5. Parents of Title I students are informed of the curriculum, assessments, and proficiency levels students are expected to meet at:
 - Back to School Night
 - Parent Conferences
 - Student Study Team Meetings
 - School Site Council Meetings
 - English Learner Advisory Committee Meetings
 - In the Single Plan for Student Achievement
 - Parent Meetings offered throughout the year.
 - Parents are notified of Benchmark, Performance Task, and Smarter Balance assessments via Blackboard Connect phone communication system, the site website, and the marquee.
 - A calendar of the year's events and assessment dates is included in the packet of materials given to the students on the beginning of the new school year and when new students enroll.
6. Parents of Title I students, if requested, are given opportunities for regular meetings to participate in decisions relating to the education of their children.
 - Teachers are expected to request a meeting with parents any time they deem necessary. These requests can be generated via the telephone, weekly folders, email, a letter, or in person. Parent-teacher communication is of the highest priority at Roosevelt Elementary.
 - All parents are encouraged to request a meeting with their child's teacher at any time throughout the school year. A meeting can be requested via the weekly folders, a letter, an email, a phone call, or in person.
 - Parent conferences are especially designed to address student needs of Title I students. Formal parent conferences occur two times per school year. A least one week prior to the scheduled conferences, a notice is given to students to give to their parents indicating a scheduled time and date. These notices are provided in Spanish and English. On the notice, parents can request an alternate date and an interpreter if needed. Parents are to have their child return the notice to the teacher. If a notice is not returned, teachers are required to make a call home to discuss a conference date. If the parent cannot attend a meeting, a phone conference is held. On some occasions, parents are provided a ride to school in order to attend a meeting. Spanish, Hmong, and Punjabi interpreters are provided for parent conferences.
 - Roosevelt staff and parents can request a Student Study Team meeting to discuss student concerns.
 - Scheduled meetings are planned for students with an Individual Education Plan (IEP).

School-Parent-Student Compact

Roosevelt Elementary distributes to parents of Title I students a school-parent-student compact. The compact, which has been jointly developed with parents and school staff representatives will share the responsibility for improved student academic achievement. It describes specific ways the school and families will partner to help children achieve the State's high academic standards. It addresses the legally required items as well as other items suggested by parents of Title I students.

The School Site Council, which is composed of parents of both benchmark and Title I students, reviews the School-Parent-Student Compact annually and contributes revisions.

The School-Parent Compact is signed by all participating parties by the end of the first Parent-Teacher Conference which is held 9 weeks into the new school-year. The teacher has the responsibility of assuring that all compacts have been signed by all parties. The parent keeps one copy, the teacher keeps a copy in the student profile binder and the third copy is to be filed for Categorical Program Monitoring. The compact is distributed and signed by all students attending Roosevelt Elementary. (compact is on page 3)

Building Capacity for Involvement

1. Roosevelt Elementary engages Title I parents in meaningful interactions with the school. It supports a partnership among staff, parents, and the community to improve student academic achievement. To help reach these goals, the school has established the following practices:
 - At Back-to-School Night, or no later than the first parent conference, parents are informed of the California grade level standards for their grade level. Printed copies are available on-line. The purpose of the standards is discussed and parents are informed that the district-wide Benchmarks, Performance Tasks, and Smarter Balance assessments are designed to measure each student's level of proficiency with the standards.
 - Teachers explain that they pace their instruction to align with the Benchmark, Performance Tasks and Smarter Balance assessments at Back to School Night and parent-teacher conferences.
 - Parents receive the results of the benchmark measurements through parent-teacher contacts. The most recent benchmark report is available to parents upon request. This report identifies the particular standards in which the student shows mastery and those that have not been mastered.
 - Teachers provide weekly feedback to parents if there are missing assignments that may help their child be more successful.
 - Progress reports are sent home every 9 weeks to inform parents of their child's progress. (Kindergarten every 13 weeks)
 - The first formal parent conference is held the 9th week of the school year for all students. A *Student Mastery Success Plan* is presented and discussed for those students who are identified as a "Title I" student. This plan identifies the accommodations and support the teacher plans to provide for their child throughout the school year. The *Student Mastery Success Plan* is reviewed and updated, if needed, at each parent conference.
 - The 3rd quarter parent-teacher conferences are especially designed for students who are at-risk. This conference focuses on the standards the student is both achieving and needing to achieve.
 - Teachers provide parents with ideas to help their child master standards at parent-teacher conferences, in weekly packets, during phone calls, and during Student Study Team meetings.
 - Parents are invited to participate in school activities through involvement:
 - as parent volunteers in the classroom,
 - assisting with field trips,
 - serving on School Site Council and/or the English Language Advisory Committee,
 - supporting the PTA,
 - attending Back to School-Night, Conferences, and Open House, and
 - attending Friday morning "Coffee with Teachers" opportunities throughout the school year.
2. Roosevelt Elementary provides materials and training to help Title I parents work with their children to improve their child's achievement in the following ways:
 - During the annual Title I Parent meeting, parents are informed of the programs and teaching strategies that are provided to help their child succeed. Ideas for helping their child with homework and study skills are discussed,
 - The Central Unified School District website contains tips for helping students be successful,
 - at Parent Workshops, and
 - through personal phone calls and conferences.
3. The Roosevelt staff are guided as to the value of parent contributions and how to work with parents as equal partners:
 - at staff meetings,
 - teachers are provided guidelines for parent conferences in the Roosevelt Teacher Handbook, and
 - new teachers are mentored by veteran teachers on this topic through the "Induction" program.

4. Roosevelt Elementary coordinates and integrates the Title I parental involvement program with other programs and conducts other activities, such as parent resource centers, that encourage and support parents in more fully participating in the education with their children.
 - Parents of Title I students are encouraged to support their children's education by utilizing programs that are available via the internet:
 - ST Math, Destination Math, Lexia Reading, Accelerated Reader, and BrainPOP; as well as other websites that are listed within the district website.
 - Parents can monitor their child's Accelerated Reader progress via the internet
 - Parent Portal is available to parents via the Central Website to access student information.
 - In addition:
 - Parents are welcome and encouraged to visit the library with their child to support their child's independent reading by helping their child select reading books.
 - At the beginning of the new school year, the district notifies parents via letter of their child's eligibility to participate in district funded tutorial services. A variety of vendors and tutorial options are identified. Participation in the tutoring program is at the discretion of the parents as well as the availability of funds and vendors.
 - School site events include:
 - Back to School Night
 - Parent Conferences
 - Open House
 - Parent Education Workshops
5. School related information that is provided to parents in languages other than English are:
 - Spoken:
 - Blackboard Connect – messages that are sent via the phone are relayed in a wide variety of languages.
 - Parent-Teacher Conferences
 - English Language Advisory Committee and School Site Council meetings
 - Student Study Team Meetings and IEP Meetings
 - Written:
 - Grade-level California standards
 - California English Language Development Testing results
 - English Language Advisory Committee (ELAC) meeting agendas and minutes
 - Conference Notices
 - Parent Involvement Policy
 - School-Parent Compact
 - Student Progress Reports
6. Support for parent involvement is provided with:
 - child care and refreshments at parent trainings and meetings,
 - Spanish, Hmong, and Punjabi interpreters are provided during parent-teacher conferences, Student Study Team meetings, IEP meetings, and any other parent-teacher meetings,
 - interpreters are provided for ELAC and SSC meetings,
 - and the office secretary and school liaison interpret for Spanish speaking parents and make calls home for teachers and staff.

Accessibility

Roosevelt School provides the following opportunities for all Title I parents to participate, including parents with limited English proficiency, parents with disabilities, and parents of migratory students. Information and school reports are provided in a format and language that parents understand. Accessibility is offered:

- with handicap parking and restrooms,
- ramps have been constructed for our portable classrooms,
- by utilizing special phone accommodations for deaf parents,
- with interpreters in the office, for meetings and parent-teacher conferences, and
- by providing student progress reports in Spanish and English, parent-conference notices in Spanish and English, Parent Involvement Policy and School-Parent compact in Spanish and English, parent CELDT and primary language results in Spanish, Punjabi, and Hmong, registration forms in Spanish and English, Home Language Surveys in many languages, English Language Advisory Committee notices and minutes in Spanish and English, and Blackboard Connect messages in a wide variety of languages.

**Póliza de Participación de Padres a Nivel Escolar del Título I
2017-2018**

La Escuela Primaria Roosevelt ha desarrollado por escrito una póliza de participación de padres del Título I con el aporte y puntos de referencia de los padres Título I. En la primavera, la póliza del año pasado es revisada por los miembros del consejo escolar para modificaciones. Después de la aprobación del Consejo Escolar (SSC), la póliza es impresa tanto en inglés como en español para distribuirse a todos los estudiantes el primer día del nuevo año escolar. En la reunión anual de padres del Título I realizada en otoño, se entregan nuevamente copias a los padres que asisten a la reunión. La póliza de la Escuela Primaria Roosevelt describe los medios para reunir los siguientes requisitos de participación de padres del Título I. *[20 USC 6318 (a)-(f) inclusivo]*

Participación de Padres en el Programa Título I

La Escuela Primaria Roosevelt realiza lo siguiente:

1. En otoño, se realiza una reunión anual para informar a los padres de los estudiantes del Título I sobre los requisitos y sus derechos de participación en el programa Título I.
 - Antes de la reunión anual de padres del Título I programada, se le envían por correo las cartas a los padres de estudiantes identificados de Título I notificándoles que su hijo ha sido identificado como un estudiante de Título I y se extiende una invitación para asistir a la primera reunión del Título I del año escolar. Esta carta indica la fecha, lugar y hora de la reunión anual del Título I.
 - Se proporciona información sobre el proceso en el que se identifican los estudiantes del Título I.
 - En la Reunión Anual de Padres del Título I, se invita a los padres a solicitar más reuniones para padres del Título I. Se analizan las fechas y horarios. También fomentamos a los padres a sentirse en confianza de comunicarse con los maestros en relación al progreso de sus hijos.
2. Ofrece un número flexible de reuniones
 - Se invita a todos los padres a asistir a las reuniones del Consejo Escolar, que se realizan de cuatro a cinco veces durante el año escolar. A los padres se les informa de las reuniones a través de Blackboard Connect y el letrado escolar. La agenda se publica en la oficina por lo menos 72 horas antes de la reunión.
 - Le invitamos a los padres del Título I a solicitar una reunión acerca del Título I. Esto se anuncia en la reunión anual de padres del Título I.
 - Se ofrecen reuniones adicionales para la participación de padres durante todo el año escolar. Todas están diseñadas para apoyar a los padres con la educación de sus hijos.
3. La Primaria Roosevelt involucra a los padres de estudiantes del Título I en una manera organizada, continua y oportuna en la planificación, revisión y mejoramiento de sus programas de Título I y la póliza de participación de los padres del Título I.
 - La planificación, revisión y mejoramiento de programas de Título I se analiza en las reuniones del Consejo Escolar (SSC). En la publicación de la agenda del Consejo Escolar se notifica a los padres cuándo cubrirán los programas del Título I y cuándo se realizarán las modificaciones de la póliza de participación de padres.
4. A los padres de estudiantes del Título I se les proporciona información sobre los programas del Título I en:
 - Conferencias de Padres y Maestros
 - Reuniones de Padres del Título I
 - Reuniones del Consejo Escolar
 - Reuniones del Comité Asesor de Estudiantes del Inglés (ELAC)
 - Mensajes vía Blackboard Connect
 - Letrado escolar

5. Los padres de los estudiantes del Título I son informados sobre el plan de estudios, evaluaciones y niveles de dominio que se espera que los estudiantes logren en:
 - Noche de Regreso a la Escuela
 - Conferencias para Padres
 - Reuniones de Equipo de Estudio Estudiantil
 - Reuniones del Consejo Escolar
 - Reuniones del Comité Asesor de Estudiantes del Inglés
 - Plan Único para el Rendimiento Estudiantil
 - Reuniones para padres ofrecidas durante el año.
 - Se notifica a los padres de las evaluaciones de puntos de Referencia (Benchmark), Tareas de Rendimiento y Smarter Balance a través del sistema de comunicación telefónica Blackboard Connect, el sitio web y el letrado escolar.
 - Se incluye el calendario de eventos y fechas de evaluaciones del año en el paquete de materiales entregado a los estudiantes el primer día de clases del nuevo año escolar y cuando se matriculan los estudiantes nuevos.
6. A los padres de estudiantes del Título I, si lo solicitan, se les dan oportunidades para reuniones regulares para participar en decisiones relacionadas con la educación de sus hijos.
 - Se espera que los maestros soliciten una reunión con los padres en cualquier momento que consideren necesario. Estas solicitudes se pueden generar por teléfono, carpeta semanal, correo electrónico, por carta o en persona. La comunicación entre padres y maestros es de extrema prioridad en la Escuela Primaria Roosevelt.
 - Se alienta a todos los padres a solicitar una reunión con el maestro de su hijo en cualquier momento durante el año escolar. Se puede solicitar una reunión a través de su carpeta semanal, una carta, un correo electrónico, una llamada telefónica o en persona.
 - Las conferencias para padres son diseñadas especialmente para tratar las necesidades de los estudiantes del Título I. Las conferencias formales para padres se realizan dos veces por año escolar. Por lo menos una semana antes de las conferencias programadas, se envía un aviso con los estudiantes para notificar a sus padres, indicando la fecha y horario. Estos avisos se proporcionan en español e inglés. En el aviso, los padres pueden solicitar una fecha alternativa y un intérprete, si es necesario. Los padres deberán entregar el aviso al maestro a través de sus hijos. Si un aviso no es entregado, se solicita a los maestros realizar una llamada telefónica al hogar para establecer la fecha de la conferencia. Si el padre no puede asistir a la reunión, se realiza una conferencia por teléfono. En algunas ocasiones, se provee transportación para los padres para que puedan asistir a la reunión. Para las conferencias de padres se proveen intérpretes en español, punjabi y hmong.
 - El personal y los padres de Roosevelt pueden solicitar una reunión del Equipo de Estudio Estudiantil (Student Study Team) para hablar sobre las preocupaciones de los estudiantes.
 - Se planifican reuniones programadas para los estudiantes con un Plan de Educación Individual (IEP).

Acuerdo entre la Escuela, los Padres y el Estudiante

La Escuela Primaria Roosevelt distribuye a los padres de estudiantes del Título I el acuerdo entre la escuela, padres y estudiantes. El acuerdo, fue desarrollado en conjunto con la representación de padres y personal escolar, compartirán la responsabilidad de mejorar el rendimiento académico estudiantil. En él se describen las formas específicas como la escuela y las familias se asociarán para ayudar a los niños a lograr los altos estándares académicos del estado. Se muestran los artículos legalmente requeridos, así como otros elementos sugeridos por los padres de los estudiantes del Título I.

El Consejo Escolar, está conformado por los padres de estudiantes de referencia y del Título I, revisa el Acuerdo entre la Escuela-Padres y Estudiantes anualmente y contribuye modificaciones.

El Acuerdo entre la Escuela y los Padres será firmado las partes participantes al finalizar la primera Conferencia de Padres y Maestros, la cual se realizará 9 semanas después de empezar el nuevo año escolar. El maestro tiene la responsabilidad de asegurar que todos los acuerdos hayan sido firmados por todas las partes. Los padres conservan una copia, el maestro conserva una copia en la carpeta del perfil del estudiante y la tercera copia es archivada para el Monitoreo del Programa Categórico (Categorical Program Monitoring). El acuerdo se distribuye y es firmado por todos los estudiantes que asisten a la Primaria Roosevelt. (Acuerdo en la página 3)

Elaborando la Capacidad para la Participación

1. La Escuela Primaria Roosevelt involucra a los padres del Título I en interacciones significativas con la escuela. Apoyan la asociación entre el personal, los padres y la comunidad para mejorar el rendimiento académico de los estudiantes. Para lograr estas metas, la escuela ha establecido las siguientes prácticas:
 - En la Noche de Regreso a la Escuela (Back-to-School Night), o no a más tardar de la primera conferencia de padres, se les informa a los padres acerca de los Estándares de nivel de grado de California. Hay copias disponibles en la página web. Se habla sobre el propósito de los estándares y se informa a los padres que los puntos de referencia del distrito, Tareas de Desempeño y las evaluaciones Smarter Balance son diseñadas para medir el nivel de dominio de cada estudiante con relación a los estándares.
 - Los maestros explican en la Noche de Regreso a la Escuela y en las Conferencias de Padres y Maestros que determinan el ritmo de instrucción para alinear con los puntos de referencia, Tarea de Desempeño y la evaluación Smarter Balance.
 - Los padres reciben los resultados de las mediciones de los puntos de referencia a través del contacto entre padres y maestros. El informe de los puntos de referencia más reciente está disponible a petición de los padres. Este informe identifica los estándares específicos en los cuales el estudiante demuestra dominio y aquellos que no fueron dominados.
 - Los maestros brindan informes semanales a los padres, si faltan tareas que puedan ayudar a su hijo a tener más éxito.
 - Los informes de progreso se envían a casa cada 9 semanas para informar a los padres sobre el progreso estudiantil. (kínder cada trece semanas)
 - La primera conferencia formal para padres se realiza la 9ª semana del año escolar para todos los estudiantes. Se presenta y se cubre un *Plan Estudiantil de Éxito en Dominios* para estudiantes identificados “en riesgo”. Este plan identifica adaptaciones y el apoyo que el maestro planea proveer a su hijo durante todo el año escolar. El *Plan Estudiantil de Éxito en Dominios* es revisado y actualizado, de ser necesario, en cada conferencia de padres.
 - Las conferencias de padres y maestros del tercer trimestre son especialmente diseñadas para aquellos estudiantes que están en riesgo. Esta conferencia se enfoca en los estándares que el estudiante está logrando y en aquellos que necesita mejorar.
 - Los maestros le proporcionan a los padres ideas en las conferencias de padres y maestros, en paquetes semanales, durante llamadas telefónicas y durante las reuniones del Equipo de Estudio Estudiantil (Student Study Team).
 - Invitamos a los padres a participar en las actividades escolares:
 - Como padres voluntarios en el salón,
 - Asistiendo en excursiones,
 - Ser parte del Consejo Escolar (SSC), el Comité Asesor para Aprendices de Inglés (ELAC)
 - Apoyar la Asociación de Padres y Maestros y
 - Asistir a la Noche de Regreso a la Escuela, Conferencias y la exhibición escolar (Open House) y
 - Asistir a la oportunidad de "Café con los maestros" el viernes por la mañana durante el año escolar
2. La escuela Primaria Roosevelt proporciona materiales y entrenamiento para ayudar a los padres del Título I a trabajar con sus hijos para mejorar su rendimiento en las siguientes formas:
 - Durante la reunión anual de Padres del Título I, se informa a los padres sobre los programas y estrategias de enseñanza que se le proveen a su hijo para ayudarlo a tener éxito. Se comparten ideas para ayudar a sus hijos con las tareas y habilidades de estudio.
 - El sitio Web del Distrito contiene consejos para ayudar a los estudiantes a tener éxito.
 - En talleres para padres.
 - A través de llamadas personales y conferencias.
3. El personal de Roosevelt es guiado en cuanto al valor de las contribuciones de los padres y cómo trabajar con los padres como socios iguales:
 - En reuniones de personal,
 - Los maestros reciben guías para las conferencias de padres en el Manual de Maestros de Roosevelt y
 - Los nuevos maestros reciben orientación en este tema a través del programa “inducción” por parte de maestros veteranos.
4. La escuela Primaria Roosevelt coordina e integra el programa de participación de los padres del Título I con otros programas y lleva a cabo otras actividades, tales como centros de recursos para padres, que promuevan y apoyan a los padres en participar más plenamente en la educación de sus hijos.
 - Animamos a los padres de los estudiantes de Título I a apoyar la educación de sus hijos mediante la utilización de programas que están disponibles a través de Internet:
 - Sitios web de ST Math, Destination Math y Lexia Reading, Accelerated Reading, BrainPOP, tal como otros programas que aparecen en el sitio web del distrito.
 - Los padres pueden monitorear el progreso estudiantil de Accelerated Reader vía el internet
 - El Portal de padres está disponible vía el sitio web de Central para acceso a información estudiantil.

- Además:
 - Los padres son bienvenidos y alentados a visitar la biblioteca con su hijo para apoyar la lectura independiente de sus hijos, al ayudarlo a seleccionar sus libros.
 - Al principio del nuevo año escolar, el distrito notifica a los padres a través de una carta la elegibilidad de sus hijos para participar en servicios de tutoría financiados por el distrito. Se identifican una variedad de proveedores y opciones de tutoría. La participación en el programa de tutoría es a discreción de los padres, así como la disponibilidad de fondos y proveedores.
 - Eventos Escolares:
 - Noche de Regreso a la Escuela
 - Conferencia de Padres
 - Exhibición Escolar (Open House)
 - Talleres Educativos para Padres
5. Información relacionada con la escuela proporcionada a los padres en otros idiomas aparte del inglés son:
- Hablado:
 - Blackboard Connect – mensajes enviados vía telefónica transmitidos en una amplia variedad de idiomas.
 - Conferencias de Padres y Maestros
 - Reuniones de ELAC y SSC
 - Reuniones del Equipo de Estudios Estudiantil y IEP
 - Escrito:
 - Estándares de California a nivel de Grado
 - Resultados de Evaluaciones de Desarrollo del Idioma Inglés de California
 - Agendas y minutas de reuniones de padres de ELAC
 - Avisos de Conferencias
 - Póliza de Participación de Padres
 - Acuerdo entre Padres y la Escuela
 - Informes de Progreso Estudiantil
6. El apoyo para la participación de padres se proporciona con:
- Cuidado de niños y refrigerios en los entrenamientos y reuniones para padres,
 - Se provee transporte a las conferencias de padres y maestros, de ser necesario,
 - Se proveen interpretes en español y punjabi, y Hmong durante las conferencias de padres y maestros, en reuniones del Equipo de Estudios Estudiantil (Student Study Team), en reuniones del IEP y en cualquier otra reunión de padres y maestros
 - Se proveen interpretes en las reuniones de ELAC y SSC,
 - la secretaria de la oficina y el enlace de la escuela interpretan a los padres de habla hispana y hacen llamadas a casa en nombre de los maestros y el personal.

Accesibilidad

La Escuela Primaria Roosevelt brinda las siguientes oportunidades de participación a todos los padres del Título I, incluyendo padres con el inglés limitado, padres con incapacidades y padres de estudiantes migrantes. Información e informes escolares se proporcionan en un formato e idioma que los padres entiendan. La accesibilidad ofrecida:

- Estacionamiento y baños para personas con incapacidades,
- Se construyeron rampas para los salones móviles,
- Uso de asistencia especial telefónica para padres sordos,
- Interpretes en la oficina, en reuniones y conferencias de padres y maestros e
- Informes de progreso estudiantil, avisos de conferencias para padres, Póliza de Participación de Padres y el Acuerdo entre la Escuela y los Padres en español e inglés, resultados de CELDT e Idioma Principal en español, punjabi y hmong, formularios de inscripción en español e inglés, Encuestas del Idioma en el Hogar en varios idiomas, avisos y minutas del Comité Asesor para Aprendices de Inglés (ELAC) en español e inglés y mensajes de Blackboard Connect en una gran variedad de idiomas.
