In addition to regular teaching staff Pathway has an 80% RSP teacher, a school psychologist two days a week and an intervention counselor two days per week.

The mission of the Pathway Community Day School is to provide a variety of alternative educational opportunities necessary for successful rehabilitation of at-risk students and to acquire knowledge and skills in a safe, disciplined and supportive environment; to develop the values of responsibility and respect for self and others, and lead students to productive citizenship and lifelong learning.

Central Unified Schools maintain current and standards-aligned instructional materials in good repair, for all students. Materials are locally adopted and reflect programs currently approved by the State Board of Education. All materials currently adopted reflect the most recent SBE adoptions and support the current California Frameworks.

Every student, including English Learners, Special Education, and other special populations have their own textbook. In the case of class sets, those sets augment individual texts that have been issued to individual students. These class sets are made based on a commitment of the district administration and the governing board and are not the product of any state requirement.

All instructional materials are subject to a school and district review process. Materials may be piloted and all materials that are selected and recommended for local adoption are reviewed by teachers, administration, and any parents who wish to review the materials. The Central Unified Board of Trustees review and adopt based on the recommendation of the district adoption committees and Educational Services.
