Subject: Proposal for Labor Compliance Program Services at Tilley Elementary School

Dear Mr. Contreras:

Quad Knopf, Inc. (QK) is pleased to present this proposal to Central Unified School District for Labor Compliance (LCP) services for Tilley Elementary School (formerly Valentine-Weldon) located at 2280 N. Valentine Avenue in Fresno, California. We understand this project is funded through Proposition 51, which would allow QK to serve as an approved Third-Party Labor Compliance Program (LCP) provider by the State of California. A more detailed description of services is provided in the Scope of Work portion of this proposal.

PROJECT UNDERSTANDING

Central Unified School District (CUSD) has requested Quad Knopf, Inc. (Consultant) provide LCP services for Tilley Elementary School. The Agreement between CUSD and Harris Construction (Contractor) was effective beginning May 24, 2017. The duration of the Project is 548 calendar days from CUSD's Notice to Proceed as stated in said Agreement, the projected end date is November 23, 2018. The Contractor has submitted a Designation of Subcontractors to CUSD listing 25 subcontractors who will perform work or render services to the Contractor for improvements to the Project.

While the Contractor is uploading certified payroll reports (CPR) to the California Division of Industrial Relations (DIR) for review as required, CUSD is seeking to perform an LCP project review to address additional CUSD LCP compliance concerns that have not been covered through the existing CUSD/ DIR coordination. The review will include the following:

- Review during On-Site Construction
- Compliance with Agreement for Apprenticeship Reporting
- Assistance to comply and timely respond to anomalies or deficiencies in contractor CPRs
- Responses to inquiries from labor-management council or committees

SCOPE OF WORK

The scope of work for providing construction LCP services to CUSD is as follows:

TASK 1.0 CENTRAL UNIFIED SCHOOL DISTRICT LABOR COMPLIANCE SERVICES:

Subtask 1.1 WEEKLY REVIEW OF CERTIFIED PAYROLL REPORTS

Each week the General Contractor is required to submit Certified Payroll Reports (CPR's) for his company as well as for each subcontractor working on the project. These CPR's shall be submitted directly to the LCS. The CPR's will be reviewed for compliance with State and Federal Labor Law, including apprentice requirements.

REVIEWED BY: 

Subtask 1.2 SUPPORT FOR LABOR-RELATED QUESTIONS FROM CLIENT OR CONTRACTOR

Should CUSD or the Contractor have any questions regarding the Labor Compliance process or status, the LCS will be available to provide the requested information.

Subtask 1.3 ON-SITE EMPLOYEE INTERVIEWS

The LCS or a representative will routinely visit the project site to interview the employees on the project. The interview is used to confirm that the employee is being paid the correct wage as well as benefits, and overtime when appropriate.

TASK 2.0 MONTHLY REPORT

The LCS will complete a Monthly Report for CUSD. This report will include a status of each contractor's (General and each subcontractor) weekly payroll reports. It will also include a summary of the On-Site Employee Interviews conducted within the month.

TASK 3.0 FINAL REPORT

The LCS will complete a Final Report for CUSD at the completion of the project. This report will include a status of each contractor's (General and each subcontractor) weekly payroll reports. It will also include a summary of the On-Site Employee Interviews.

SCHEDULE

November 1, 2017 through November 23, 2018 (as per CUSD and Contractor Agreement). Should the work extend beyond the expected duration, QK will extend services concurrently at the unit rates described below, upon your approval.

SCOPE & FEE SUMMARY

Task(s)	Description	Fee Type	Fee Amount
1.0	\$500 for each week of service until project completion, approx. 70 weeks at \$500 per week	Fixed Fee	\$35,000
2.0	\$750 each for monthly reports until project completion, approx. 18 months – May 2017 thru November 2018	Fixed Fee	\$13,500
3.0	\$750 each for final report at project completion, November 2018	Fixed Fee	\$750.00
Total Fee			\$49,250

Notes:

1. Expenses for reproduction, mailing, mileage, etc. are billed separately per our attached Charge Rate Schedule.
2. All time-and-materials fees will be invoiced monthly based on the level of effort in terms of hours relative to our Charge Rate Schedule.
3. When a Task is set on a time-and-materials fee basis, it signifies that it is not possible to accurately predict the amount of work effort required typical of on-call type services. QK will work with the client to set expectations where applicable.
4. Tasks billed by fixed fees will be invoiced monthly based on the percentage of work completed.
5. Additional Services requested in writing and approved by the client will be provided on a time-and-materials basis.
6. Subtasks listed under Task 1 will be billed at the Task level.

EXCLUSIONS AND ASSUMPTIONS

1. QK will provide the services described herein through November 2018 on a fixed fee basis in accordance with our current fee schedule. It is expected that a new contract for labor compliance services would be executed for services rendered in the year 2018 and beyond as requested by the Client.
2. Per the current CUSD agreement with Harris Construction, and as required by California State Law, the contractor and subcontractors will continue to upload the certified payroll reports (CPR) directly to the DIR using the electronic eCPR process and will need to provide copies of those reports to QK for their concurrent review and field review.
3. For QK to be able to provide the CUSD requested field review, apprentice review, and timely responses to inquiries from Labor Management Councils or Committees, QK will need to also review the CPRs uploaded to DIR. It is important to note that this CPR review will be provided by both QK and the DIR.
4. Additional services for labor compliance reporting, in case of discrepancy, will be prepared under a separate contract.

AUTHORIZATION

In order to authorize services described herein, please sign the attached Professional Services Agreement and send it back to us with a check for the retainer amount requested. Typically, we can begin our services within 5 business days of the time authorization is received depending on client need and schedule constraints.

We look forward to working with you on this project. If you have any questions regarding this proposal, please contact me at (559) 449-2400.

Sincerely,

Jessica Louie

There shall not be considered to be any amendment to this Agreement whatsoever, except for adjustment to QK's hourly fee schedule as provided for by Provision No. 24 unless such amendment, in writing, has been duly and fully executed by authorized representatives of both the Client and QK.
4. This agreement shall be governed by and construed in accordance with the laws of the State of California.
5. Client agrees that in the event client institutes litigation to enforce or interpret the provisions of this agreement, such litigation is to be brought and adjudicated in the appropriate court in the county in which consultant's principal place of business is located, and client waives the right to bring, try or remove such litigation to any other county or judicial district.
6. Consultant shall only act as an advisor in all governmental relations.
7. Consultant makes no warranty, either expressed or implied, as to his findings, recommendations, plans specifications, or professional advice except that the services or work product were performed pursuant to generally accepted standards of practice in effect at the time of performance.
8. All tracings, survey notes, and other original documents as instruments of service are and shall remain the property of QK, except where by law or precedent these documents become public property.
9. QK is not responsible, and liability is waived by Client as against QK, for use by Client or any other person of any plans or drawings not signed by an authorized agent or employee of QK.
10. QK shall not be responsible for delays caused by factors beyond QK's control, including but not limited to, strikes, lockouts, accidents, acts of God, weather, ground conditions, or by reason of action, inaction, or changes in rules, regulations or policies of any governmental agency, district, utility company, or Client, its agents or any other person.
11. It is understood by Client that any quantity, time, and/or fee estimates which shall be prepared by QK are estimates only, are prepared only as a guide and do not constitute a lump sum or fixed fee.
12. QK makes no representation concerning the estimated quantities and probable costs made in connection with maps, plans, specifications, reports or drawings other than that all such costs are estimates only and actual costs will vary. It is the responsibility of the client to verify costs.
13. Retainers, if any, shall be credited against the final invoice(s) submitted to the Client by QK for services provided hereinunder.
14. Client hereby agrees that the balance as stated on the billing from QK to Client is correct, conclusive and binding on the Client, unless Client, within ten (10) days from the date of the receiving of the billing, notifies QK in writing of the particular item that is alleged to be incorrect.
