Article 6  
LOSS PAYMENT (ALSO KNOWN AS INDEMNIFICATION)

6.1 **In general.** The Contractor must pay the District for any loss of the District that is caused by the Contractor's negligence or intentional misconduct. But the Contractor is not required to pay to the extent that the loss was caused by the District's negligence or intentional misconduct.

(a) **"Loss"** means an amount or amounts that the District is legally responsible for or pays in any form. Amounts include, for example, a judgment, a settlement, a fine, damages, injunctive relief, staff compensation, a decrease in property value, and expenses for defending against a claim for a loss (including fees for legal counsel, expert witnesses, and other advisers). A loss can be tangible or intangible; can arise from bodily injury, property damage, or other causes; can be based on tort, breach of contract, or any other theory of recovery; and includes incidental, direct, and consequential damages.

6.2 **The District's duty to notify.** The District must notify the Contractor before the tenth business day after the District knows or should reasonably have known of a claim for a loss that the Contractor might be obligated to pay. The District's failure to give timely notice does not terminate the Contractor's obligation, except to the extent that the failure prejudices the Contractor's ability to defend the claim or mitigate losses.

6.3 **Legal defense of a claim.** The District has control over defending a claim for a loss (including settling it), unless:

- (1) the Contractor elects to control the defense as described below; or
- (2) the District directs the Contractor to control the defense.

(a) Upon receiving notice of a claim for a loss, the Contractor may take control of the defense by notifying the District. If the Contractor takes control, each of the following applies:

- (3) the Contractor may choose and retain legal counsel; and
- (4) the District may retain its own legal counsel at its expense.

(b) The Contractor shall not settle any litigation without the District's written consent if the settlement imposes a penalty or limitation on the District, admits the District's fault, or does not fully release the District from liability.

6.4 **Good faith.** The District and the Contractor shall cooperate with each other in good faith on a claim.

6.5 **No exclusivity.** The District's rights under this Article do not affect other rights that the District might have.

Article 7  
PROPRIETARY INFORMATION

7.1 **Proprietary information and intellectual property.** The District agrees that all trade secrets, patents, copyrights, and other proprietary information, as well as any inventions, discoveries, and improvements, that the Contractor and its officers, employees, and agents, create or contribute to during the course of rendering services to the District, are the sole property of the Contractor, and the District hereby assigns and transfers all right, title, and interest it may

have in any such trade secrets, patents, copyrights, proprietary information, inventions, discoveries, and improvements.

Article 8  
MISCELLANEOUS PROVISIONS

8.1 **Construction and severability.** No provision of this agreement is to be construed against any party merely because that party or its attorney drafted or revised the provision in question. The provisions of this agreement are severable, and if any part of it is found to be unenforceable, the other provisions shall remain fully valid and enforceable.

8.2 **Modification.** No amendment of this agreement will be effective unless it is in writing and signed by the parties. To be valid, any document signed by the Contractor in accordance with this Section must be signed by an officer of the Contractor authorized to do so by the Contractor's board of directors.

8.3 **Governing law.** This agreement is governed by the laws of the State of California.

8.4 **Distribution.** Copies of this agreement have been distributed as follows:

- (1) the "Original Copy" to the Contractor's accounting department;
- (2) the "First Copy" to the District; and
- (3) the "Second Copy" to the Contractor.

Article 9  
DEFINITIONS

9.1 **"Teaching Fellow"** means one of the Contractor's line staff members that functions as either a tutor, assistant site coordinator, or site coordinator at the District's Site(s).

- Form 1099-DIV (dividends, including those from stocks or mutual funds)
- Form 1099-MISC (various types of income, prizes, awards, or gross proceeds)
